

SONY

TPS-L2 INSTUCTIONAL GUIDE

by Vandrea Davis

I have been a fan of Sony since I was young. This is a personal side project I did one week while I was feeling nostalgic.

On July 1, 1979, the Walkman TPS-L2 mini portable cassette player – shaped like a brick, with silver buttons, two headset jacks and no screen – was released. It changed forever how people consumed music and was still in production as recently as 2010. Now it is winning new fans born in the mobile phone era.

THANK YOU FOR YOUR TIME!
