The Screen Design Manual provides designers of interactive media with a practical working guide for preparing and presenting information that is suitable for both their target groups and the media they are using. It highlights background information and relationships clarifying them with examples and encourages the further development of the language of digital media. In addition to the basics of perception and learning psychology, ergonomics, communication theory, imagery, research, and aesthetics, the book also considers design navigation and orientation elements. Guidelines and checklists along with the comprehensive design of the book support the transfer of information into practice. Frank Thissen teaches multimedia didactics and information design at the University of Applied Sciences in Stuttgart. For over 10 years he has been developing computer-based training. He has worked for international companies such as Siemens AG and SAP AG. His research project explores the role of emotion in e-learning.

**Service Operations Management** John McManus, Mats Winroth, Jannis Angelis, 2019-10-12

This engaging and accessible textbook explores the challenges and complexities of managing operations in a service industry setting. Comprehensive in scope, this textbook considers key concepts from strategy and operations management from a global services perspective and integrates traditional theory with cutting-edge contemporary examples. Taking a student-centred approach, it gives the reader a solid understanding of the key issues faced by contemporary service organisations, from managing and reviewing risk to managing supplier relationships. Rich pedagogy, integrated online resources, and relevant international case studies develop strategic thinking skills and equip students with the essential tools and techniques needed to plan, design, manage, and control operations in diverse service industry contexts. This is an ideal textbook for students of service operations management at undergraduate, postgraduate, and MBA level. Accompanying online resources for this title can be found at [bloomsburyonlineresources.com/service-operations-management](https://www.bloomsburyonlineresources.com/service-operations-management). These resources are designed to support teaching and learning when using this textbook and are available at no extra cost.
