## Polycom® Touch Control

### Telepresence at your fingertips

The intuitive solution for accelerating Unified Communications (UC) and system optimization throughout your organization. The Polycom® Touch Control provides instant solutions to highly complex touch-screen issues that would cause an average system administrator to become frustrated. By simplifying user experience and allowing participants to focus on their meeting, the Polycom® Touch Control solution goes beyond other touch and navigation technologies and adds controls that make your organization more productive and efficient.

#### Conference with confidence

The Polycom® Touch Control interface is ideal for enterprise, virtual and institutional multi-user environments, and any other group working together and using software applications. Featuring a high-resolution display that provides a tactile response and easy navigation, the Polycom® Touch Control solution gives users the control of aspects of their conference. Adjusted for meeting/working languages, allowing users to view content.

Users can easily control the meeting using a series of touch gestures, including keypad gestures and screen gestures. For quick access to most functions, the Polycom® Touch Control communicates with the Polycom® HMI and TouchScreen® (HMI) for the most comprehensive solution, which can be integrated with Microsoft® Exchange® software or other UC systems.

The Polycom® Touch Control offers multiple options for a single user, including control of video, audio, and screen gestures. It also offers a single user interface for the Touch Control via Polycom® (control via the video screen) or other content directly from HMI. For more information, see Touch Control.

#### Easy to use and deploy

The Polycom® Touch Control offers multiple options for a single user, including control of video, audio, and screen gestures. It also offers a single user interface for the Touch Control via Polycom® (control via the video screen) or other content directly from HMI. For more information, see Touch Control.

#### Benefits
