Polish Sausages Authentic Recipes And Instructions:

Polish Sausages Stanley Marianski, Adam Marianski, Miroslaw Gebarowski, 2009 In 1945 Polish meat products were standardized using traditional time proven recipes This edition contains carefully compiled government recipes that were used by Polish meat plants between 1950 1990 *Home Production of Quality Meats and Sausages*, 2012-03-21 There has been a need for a comprehensive one volume reference on the manufacture of meats and sausages at home There are many cookbooks loaded with recipes which do not build any foundation for the serious hobbyist to follow This leaves him with little understanding of the sausage making process and afraid to introduce his own ideas There are professional books that are written for meat plant managers or graduate students unfortunately these works are written in such difficult technical terms that most of them are beyond the comprehension of an average person *Home Production of Quality Meats and Sausages* bridges the gap that exists between highly technical textbooks and the requirements of the typical hobbyist In order to simplify this gap to the absolute minimum technical terms were substituted with their equivalent but simpler terms and many photographs drawings and tables were included The book covers topics such as curing and making brines smoking meats and sausages U S Standards making fresh smoked emulsified fermented and air dried products making special sausages such as head cheeses blood and liver sausages low salt low fat and Kosher products hams bacon butts and loins poultry fish and game creating your own recipes and much more To get the reader started 172 recipes are provided which were chosen for their originality and historical value They carry an enormous value as a study material and as a valuable resource on making meat products and sausages Although recipes play an important role in these products it is the process that ultimately decides the sausage quality It is perfectly clear that the authors don't want the reader to copy the recipes only We want him to understand the sausage making process and we want him to create his own recipes We want him to be the sausage maker

Making Healthy Sausages Stanley Marianski, Adam Marianski, 2011-08 *Making Healthy Sausages* reinvents traditional sausage making by introducing a completely new way of thinking The sausage is not spiced hamburger meat anymore but rather a package which contains meat plus other ingredients All those ingredients acting together create a nutritional and healthy product The purpose of the book is to educate the reader how to use new additives that the food industry has embraced for so long How to apply less salt and fat and produce a sausage that will be flavorful healthy and safe to eat After reading this book you should be able to create your own recipes or modify any existing recipe to make a healthier sausage without compromising the flavor The collection of 80 recipes provides a valuable reference on the structure of reduced fat products The book teaches the basics of sausage making and includes all advice and tips that will make the reader a proficient and knowledgeable sausage maker You will be able to control the amount of calories the sausage contains and decide what ingredients will go inside After studying the book you will be the modern sausage maker **Sauerkraut, Kimchi, Pickles**
