Eliminate Outdated Requirements for City Notices

- The city is required to publish public notices in the official city newspaper with a daily circulation over 25,000, but there is no longer any newspaper that fits the bill.
- This measure would get rid of that old requirement and give City Council the power to come up with a new, more effective way to publish public notices (e.g., online, multiple smaller news outlets).

S

YES!

Let the City Spend More of the Funds from Already-Approved Taxes

- Increases the city's allowable limit of how much tax revenue it can spend, so that it can continue to spend money towards things that voters passed taxes to pay for.

13

YES!

Fix and Modernize K-12 School and Higher Ed Buildings**

- \$15 billion in bonds for school and college facilities in California, including \$9 billion for preschool and K-12 schools
- Improve health and safety conditions in school buildings, including earthquake/fire safety and removing lead from water
- Increase affordable student housing

** Ballot measures are rarely perfect; we still believe that all students deserve to learn in a safe environment.

Rights in Transit Kafui Ablode Attoh, 2019-02 Is public transportation a right Should it be For those reliant on public transit the answer is invariably yes to both Indeed when city officials propose slashing service or raising fares it is these riders who are often the first to appear at that officials door demanding their right to more service Rights in Transit starts from the presumption that such riders are justified For those who lack other means of mobility transit is a lifeline It offers access to many of the entitlements we take as essential food employment and democratic public life itself While accepting transit as a right this book also suggests that there remains a desperate need to think critically both about what is meant by a right and about the types of rights at issue when public transportation is threatened Drawing on a detailed case study of the various struggles that have come to define public transportation in California's East Bay Rights in Transit offers a direct challenge to contemporary scholarship on transportation equity Rather than focusing on civil rights alone Rights in Transit argues for engaging the more radical notion of the right to the city **Readers' Guide to Periodical Literature** ,1912
