Self-assessment and Goal Setting Kathleen Gregory, Caren Cameron, Anne Davies, 2011 In the foreword to *Self
Assessment and Goal Setting* Heidi Andrade explains that self assessment is a key element in formative assessment because
it involves students in thinking about the quality of their own work rather than relying on their teacher as the sole source of
evaluative judgments Throughout this second book in the *Knowing What Counts* series authors Kathleen Gregory Caren
Cameron and Anne Davies describe ways for teachers to create more involved students by including them in the assessment
of their own work The first section in this book provides ten self assessment activities for students and details how to 1
introduce the purpose of the activities to students 2 implement the activities and 3 provide different opportunities for
practice The authors encourage the reader to adapt the examples they provide as needed to best fit their specific needs and
circumstances In the second section the authors describe how to make goal setting a logical extension of self assessment
Guidelines are provided for short term and long term goals The third section contains common questions teachers may have
about the concepts presented in the first two sections of the book as well as questions parents and students may bring to
educators in response to the activities described in these sections The authors respond to these questions in detail giving
educators the knowledge they need to properly implement these strategies and respond to others concerns **Writing**
Instructional Objectives for Teaching and Assessment Norman Edward Gronlund, 2004 Provides a step by step guide to
writing instructional objectives as intended learning outcomes The author describes how to state objectives in terms of the
type of performance students must demonstrate in order to show that they have achieved the goals of the instruction and
