How To Keep Your Kids On The Team Charles F. Stanley,1996-12-01 It s not what you think that will impact your child it s what you communicate Charles Stanley focuses on the parental role as one of stewardship rather than ownership As a parent you have a stewardship entrusted to you and are responsible to God for your actions toward your children To keep your children on your team you must assure them from the beginning that you are on theirs

The Best Devotions of Barbara Johnson Barbara Johnson,2010-12-21 If Barbara Johnson has brought comfort to thousands of women it s not because her life has been comfortable Barbara has known more heartbreak than most of us ever will But that is why her encouragement truly inspires why her humor makes us smile and why her insightfulness can move us to tears Through thick and thin Barbara has held onto God and so she is uniquely qualified to help us see how God holds onto us and won t let go no matter what life dishes out The sixty selections in this book represent the cream of Barbara s devotional crop Kick your shoes off settle back and unwind Or give this book to someone you know who would enjoy a chuckle a reflective pause an Aha moment maybe even a tear Insights and encouragement lie within and more than a few grins

Children, Dogs and Education Mary Renck Jalongo,2018-05-08 This book brings together authoritative information about the child dog bond as it is manifested with family dogs visiting therapy dogs and service dogs trained to assist children with disabilities Despite the widely accepted view that participating in a dog s care and interacting with dogs in behaviorally healthy ways is a route to becoming responsible and compassionate research on this complex dynamic is difficult to design time consuming to collect and challenging to analyze This volume synthesizes theory research and practice bringing all to bear upon child dog interactions in homes schools libraries and the community at large Children Dogs and Education serves as a handbook for a diverse group of adults who seek to build positive relationships between children and dogs parents families professional dog trainers teachers librarians mental health professionals health care professionals and university faculty The study of interactions between human and nonhuman animals has captured the imagination of an international community of researchers from many different fields and professions Even though dogs are ubiquitous in the lives of most children studies of children s interactions with dogs in families and communities are lacking Most of the previous research on

the human canine bond has focused on adolescents and adults or even when younger children are the focus it has tended to rely on parents to speak for children There are three features of this book that make it unique First it goes beyond exploring the child dog bond to examine additional important issues including children s concepts of responsible care their ability to interpret dogs behavioral cues and their ideas about canine behavioral issues training Second unlike most other work to date it represents children s voices through cases interviews and drawings Finally the contributors to this edited work use their collective wisdom to draw educational implications and suggest direction in preparing the next generation of dog guardians
