woods and get away home His thoughts stray back to his wife and children The soldiers drop him down The story flashes back in time Peyton Farquhar lives in the South and is a Confederate supporter He goes out of his way to perform services to support the Confederate cause One day a gray clad soldier appears at his house and tells Farquhar that Union soldiers in the area have been repairing the railroads including the one over Owl Creek Bridge Interested Farquhar asks if it is possible to sabotage the bridge to which the soldier replies that he could burn it down When the soldier leaves it is revealed that he is a Union scout who has lured Farquhar into a trap as anyone caught interfering with the railroads would face execution **An Occurrence at Owl Creek Bridge** Ambrose Bierce,2024 An Occurrence at Owl Creek Bridge is a short story by Ambrose Bierce originally published in 1889 It is one of his most famous works and one of the most lauded depictions of the Civil War AMBROSE BIERCE 1842 1914 was an American author journalist and war veteran He was one of the most influential journalists in the United States in the late 19th century and alongside his success as a horror writer he was hailed as a pioneer of realism Among his most famous works are The Devil s Dictionary and the short story An Occurrence at Owl Creek Bridge *An Occurrence at Owl Creek Bridge* Ambrose Bierce,2018-11-19 An Occurrence at Owl Creek Bridge By Ambrose Bierce This short story was adapted for an episode of the television show The Twilight Zone which aired February 28 1964

An Occurrence at Owl Creek Ambrose Bierce,2016-08-19 Peyton Farquhar a plantation owner in his mid thirties is being prepared for execution by hanging from an Alabama railroad bridge during the American Civil War Six military men and a company of infantrymen are present guarding the bridge and carrying out the sentence Farquhar thinks of his wife and children and is then distracted by a noise that to him sounds like an unbearably loud clanging it is actually the ticking of his watch He considers the possibility of jumping off the bridge and swimming to safety if he can free his tied hands but the soldiers drop him from the bridge before he can act on the idea In a flashback Farquhar and his wife are relaxing at home one evening when a soldier rides up to the gate Farquhar a supporter of the Confederacy learns from him that Union troops have seized the Owl Creek railroad bridge and repaired it The soldier suggests that Farquhar might be able to burn the bridge down if he can slip past its guards He then leaves but doubles back after nightfall to return north the way he came The soldier is actually a disguised Union scout who has lured Farquhar into a trap as any civilian caught interfering with the railroads will be hanged The story returns to the present and the rope around Farquhar s neck breaks when he falls from the bridge into the creek He frees his hands pulls the noose away and surfaces to begin his escape His senses now greatly sharpened he dives and swims downstream to avoid rifle and cannon fire Once he is out of range he leaves the creek to begin the journey to his home 30 miles away Farquhar walks all day long through a seemingly endless forest and that night he begins to hallucinate seeing strange constellations and hearing whispered voices in an unknown language He travels on urged by the thought of his wife and children despite the pains caused by his ordeal The next morning after having apparently fallen asleep while walking he finds himself at the gate to his plantation He rushes to embrace his wife but before

he can do so he feels a heavy blow upon the back of his neck there is a loud noise and a flash of white and everything goes black It is revealed that Farquhar never escaped at all he imagined the entire third part of the story during the time between falling through the bridge and the noose breaking his neck **An Occurrence at Owl Creek Bridge** Ambrose
