

The Character of Iago in Shakespeare's Othello

✓ Exclusively available on IvyPanda

Introduction

The character of Iago in Shakespeare's *Othello* can, at first glance, be described as inconsistent. His main motive appears to be revenge against imaginary and perceived slights. At the same time, his explanations and motivations, as voiced by his soliloquies throughout the play, appear to be contradictory to one another.

Discussion

For example, at first he despises the Moor for being too honest, and then he accuses him of cheating and trickery, which does not mesh with his earlier assessment of the Moor's character. Such examples are present throughout the entire play. If anything, Iago appears to be consistent at being inconsistent, thus meaning that the true motives behind his actions are not directly revealed and can be only inferred from what he says and does.

When it comes to deception, Iago is an excellent judge of character. He is capable of highlighting strengths and weaknesses and is capable of capitalizing on them for his own ends. Besides Othello, Iago managed to deceive Cassio and Roderigo. Iago is considered by others to be a honest man with a soldiery personality. Both Cassio and Roderigo fall for it and view his words as truthful. Then, he manipulates the two using their love for Desdemona while using stereotypes of behavior to justify his logic and portray others in an unfavorable light. The greatest evil in the play, the catalyst for the tragedy to unfold, appears to be "the Devil," the avatar of which can be seen in Iago. It seems that he does what he does for entertainment, ruining peoples' lives in the process.

Othello Essay Topics Iago

William McKenzie

Othello Essay Topics Iago:

Mark Lopez,2010-09 The Little Black School Book covers research essay writing clear thinking expression and much more in innovative ways giving students the skills and confidence that comes with merit But there is more to success than merit Mark Lopez shows students what goes on in examiners minds and more importantly how to consistently capitalize on this insight From Chaucer's Pardoner to Shakespeare's Iago Maik Goth,2009 In The Western Canon The Books and School of the Ages the American critic Harold Bloom claims that Shakespeare drew on Chaucer s Pardoner when creating the villain Iago for his Othello This book turns Bloom s observation of influences within the canon of Western literature into a more complex intermedial analysis of dramatic and literary traditions at the waning of the Middle Ages and the dawn of the Renaissance The discussion of verbal and non verbal codes in Chaucer s presentation of the Pardoner and Shakespeare s depiction of Iago sheds light on the various strands of the Vice s development and shows that Chaucer s pilgrim who descends obliquely from the stage Vices stands at the very beginning of the Vice tradition while Iago is a late development of him who adapts his role to new dramatic challenges **The AP English Language and Composition** Pauline

Bloom's How to Write about William Shakespeare Paul Gleed,2009 A practical resource guide for writing essays on William Shakespeare with advice for students designed to help them develop their analytical skills and understand Shakespeare s works *The Basics of Essay Writing* Nigel Warburton,2020-10-28 Nigel Warburton bestselling author and experienced lecturer provides all the guidance and advice you need to dramatically improve your essay writing skills The

book opens with a discussion of why it is so important to write a good essay and proceeds through a step by step exploration of exactly what you should consider to improve your essays and marks You will find help on how to focus on answering the question asked research and plan your essay build and sustain an argument improve your writing style and tone The Basics of Essay Writing is packed full of good advice and practical exercises Students of all ages and in every subject area will find it an easy to use and indispensable aid to their studies Shakespearean Sensations Katharine A. Craik,Tanya

Pollard,2013-02-07 This strong and timely collection provides fresh insights into how Shakespeare s plays and poems were understood to affect bodies minds and emotions Contemporary criticism has had surprisingly little to say about the early modern period s investment in imagining literature s impact on feeling Shakespearean Sensations brings together scholarship from a range of well known and new voices to address this fundamental gap The book includes a comprehensive introduction by Katharine A Craik and Tanya Pollard and comprises three sections focusing on sensations aroused in the plays sensations evoked in the playhouse and sensations found in the imaginative space of the poems With dedicated essays on Hamlet Macbeth Othello and Twelfth Night the collection explores how seriously early modern writers took their relationship with their audiences and reveals new connections between early modern literary texts and the emotional and physiological experiences of theatregoers **Morality in Tess and Other Essays: In Honour of Mulk Raj Anand** Atma

Ram,1995 **Essays Toward a Symbolic of Motives, 1950-1955** Kenneth Burke,2007 This volume contains the work Burke planned to include in the third book in his Motivorum trilogy Following Rueckert s Introduction Burke lays out his approach in essays that theorize and illustrate the method which he considered essential for understanding language as symbolic action and human relations generally *Essays on Shakespeare and Elizabethan Drama* Richard

Hosley,2017-03-27 The twenty eight essays of this collection first published in 1962 are the work of distinguished British Canadian and American scholars The essays range widely over the field of Elizabethan drama concentrating attention on Shakespeare and Marlowe but not neglecting earlier dramatists such as Kyd and Greene or later ones such as Heywood and Massinger Among the general topics treated are the staging of the interludes intrigue in Elizabethan tragedy and Jacobean stage pastoralism This title will be of interest to students of English literature **A Fury in the Words:** Harry Berger,2013

Shakespeare s two Venetian plays are dominated by the discourse of embarrassment The Merchant of Venice is a comedy of embarrassment and Othello is a tragedy of embarrassment This nomenclature is admittedly anachronistic because the term embarrassment didn t enter the language until the late seventeenth century To embarrass is to make someone feel awkward or uncomfortable humiliated or ashamed Such feelings may respond to specific acts of criticism blame or accusation To embarrass is literally to embar to put up a barrier or deny access The bar of embarrassment may be raised by unpleasant experiences It may also be raised when people are denied access to things persons and states of being they desire or to which they feel entitled The Venetian plays represent embarrassment not merely as a condition but as a weapon and as the

wound the weapon inflicts Characters in The Merchant of Venice and Othello devote their energies to embarrassing one another But even when the weapon is sheathed it makes its presence felt as when Desdemona means to praise Othello and express her love for him I saw Othello's visage in his mind 1 3 253 This suggests among other things that she didn't see it in his face SAT II Writing Sparknotes Editors, Sparknotes, 2002-07 **Student's Guide to Shakespeare** William McKenzie, 2017-01-17 This book is a one stop shop for the busy undergraduate studying Shakespeare Offering detailed guidance to the plays most often taught on undergraduate courses the volume targets the topics tutors choose for essay questions and is organised to help students find the information they need quickly Each text discussion contains sections on sources characters performance themes language and critical history helping students identify the different ways of approaching a text The book's unique play based structure and character centre approach allows students to easily navigate the material The flexibility of the design allows students to either read cover to cover target a specific play or explore elements of a narrative unit such as imagery or characterisation The reader will gain quickly a full grasp of the kind of dramatist William Shakespeare was and is **Some Shakespearean Themes and An Approach to 'Hamlet'** Lionel Charles Knights, 1966 A Stanford University Press classic **Lying in Early Modern English Culture** Andrew Hadfield, 2017-09-07 Lying in Early Modern English Culture is a major study of ideas of truth and falsehood in early modern England from the advent of the Reformation to the aftermath of the failed Gunpowder Plot The period is characterised by panic and chaos when few had any idea how religious cultural and social life would develop after the traumatic division of Christendom While many saw the need for a secular power to define the truth others declared that their allegiances belonged elsewhere Accordingly there was a constant battle between competing authorities for the right to declare what was the truth and so label opponents as liars Issues of truth and lying were therefore a constant feature of everyday life and determined ideas of individual identity politics speech sex marriage and social behaviour as well as philosophy and religion This book is a cultural history of truth and lying from the 1530s to the 1610s showing how lying needs to be understood in action as well as in theory Unlike most histories of lying it concentrates on a series of particular events reading them in terms of academic theories and more popular notions of lying The book covers a wide range of material such as the trials of Ann Boleyn and Thomas More the divorce of Frances Howard and the murder of Anthony James by Annis and George Dell works of literature such as Othello The Faerie Queene A Mirror for Magistrates and The Unfortunate Traveller works of popular culture such as the herring pamphlet of 1597 and major writings by Castiglione Montaigne Erasmus Luther and Tyndale Players of Shakespeare 2 Russell Jackson, Robert Smallwood, 1989-10-12 This is the second volume of essays by actors with the Royal Shakespeare Company Fourteen actors describe the Shakespearean roles they played in productions between 1982 and 1987 The contributors are Roger Allam Frances Barber Kenneth Branagh Niamh Cusack Ben Kingsley Ian McDiarmid Daniel Massey Edward Petherbridge Alan Rickman Fiona Shaw Antony Sher Juliet Stevenson David Suchet and Zoe Wanamaker

Each gives a unique insight into the preparation and performance of a major Shakespearean role and how a character is created through responding to Shakespeare's text within the context of a particular director's conception and the environment established by the designer. A brief biographical note is provided for each of the contributors and an introduction places the essays in the context of the Stratford and London stages and of the music and design for the particular productions. *Shakespeare and His Contemporaries* E. A. J. Honigmann, 1986 *Shakespeare and Religion* G. Wilson Knight, 2013-10-08 First Published in 2002 Part of the G Wilson Knight collection the essays included in this volume constitute a fairly consistent record of his attempts over a period of some forty years to explore the deeper significances of Shakespearian poetry and drama. *The Routledge Guide to William Shakespeare* Robert Shaughnessy, 2013-05-13 Demystifying and contextualising Shakespeare for the twenty first century this book offers both an introduction to the subject for beginners as well as an invaluable resource for more experienced Shakespeareans. In this friendly structured guide Robert Shaughnessy introduces Shakespeare's life and works in context providing crucial historical background looks at each of Shakespeare's plays in turn considering issues of historical context contemporary criticism and performance history provides detailed discussion of twentieth century Shakespearean criticism exploring the theories debates and discoveries that shape our understanding of Shakespeare today looks at contemporary performances of Shakespeare on stage and screen provides further critical reading by play outlines detailed chronologies of Shakespeare's life and works and also of twentieth century criticism. The companion website at www.routledge.com/textbooks/shaughnessy contains student focused materials and resources including an interactive timeline and annotated weblinks. *English Literature* Barbara Bloy, 2006

Putting History to the Question Michael Neill, 2000 Covering dramatic works by Shakespeare John Fletcher Philip Massinger and others and reflecting upon subjects ranging from social attitudes towards racial difference and adultery to the politics of mercantilism and the hierarchy of master servant relationships the book reenergizes the discussion of Renaissance drama and history
