

STUDY GUIDE QUESTIONS - The Outsiders

Chapters 1-2

1. Identify Darry, Soda and Ponyboy.

They are orphaned brothers who live alone on the East Side. They are "Greasers," members of a gang of friends who look out for each other.

2. How are Greasers different from Socs?

Greasers are from the east side of town. They are poor and usually in trouble with the law. Socs (Socials) are from the west side of town. They come from wealthy families and have fancy cars and parties.

3. Who were other members of Pony's gang?

Darry, Soda, Two-Bit, Johnny, Dally, and Steve.

4. What happened to Pony on his way home from the movies?

He was jumped by some Socs. He was not seriously injured because his friends came along and ran off the Socs.

5. Who did Dally, Johnny and Ponyboy meet at the Nightly Double?

They met Cherry and Marcia, two Soc girls.

6. Contrast Dally's approach to Cherry and Marcia with Pony's, and contrast Cherry's response to Dally with her response to Pony.

Dally was rude, crude, foul-mouthed and annoying to the girls. Pony was polite, sensitive and rather soft-spoken. Cherry insulted and rejected Dally but accepted Pony's friendship.

7. Why were Cherry and Marcia alone at the drive-in?

The girls had a fight with their boyfriends, who left.

8. Pony was somewhat surprised that he was getting along with Cherry and Marcia. Why?

They were Socs; he was a Greaser. No Soc girls had ever spoken to him except to insult him.

9. What had happened to Johnny prior to the time of this story?

He had been jumped and beaten by a group of Socs who came from a blue Mustang.
