

Overboard discharges in Harpswell

No new overboard discharge systems have been built in Maine since about 1990, but approximately 600 remain in use. Of these, Harpswell has the fifth most in the state, with 44* active licenses. The state and town advocate for the removal of the systems, but acknowledge that many may never be replaced.

*While state records list 44 OBD licenses in Harpswell, town and state officials say six were replaced with conventional systems in 2024, but remain on the books pending confirmation.
