Methods and Tools for Completing Doctor of Business Administration (DBA) Theses Jacques Digout, Charbel Salloum, Sylvain Senechal, 2019-06-17 This book offers complete and operational methodology guidelines for the entire process of the Doctor of Business Administration DBA thesis. It provides insights into theory and practice both indispensable for the successful completion of the research project. The volume draws on the contributions of major reference works and offers simplified, clear, and applicable standards for DBA participants and supervisors. It illustrates a living experience because completing a thesis is a human adventure. Non-classic students starting a doctoral project are facing an utterly new world with codes and methods they do not recognise. As such, this book brings together many testimonies from DBA scholars which will help readers to find new formulations and valuable solutions in their own work.
