Oswald Return Of The King:

Oswald: Return of the King Edoardo Albert, 2015-05-15 Spirited and enjoyable Nicholas Higham Oswald had found peace But now he must fight for the throne Northumbria lies undefended Cadwallon and Penda the kings of Gwynedd and Mercia ravage the land Oswald has a rightful claim to the throne but he is sick of bloodshed and in his heart he longs to lay down his sword and join the monks of Iona However the abbot of Iona does not need another monk the abbot wants a warrior king to spread the new faith He must reignite Oswald s hunger for glory and renown for gold and power and the homage of men But if he does will it destroy Oswald

Oswiu: King of Kings Edoardo Albert, 2016-05-19 Edoardo Albert s book is brilliant hugely enjoyable a galloping plot with characters I care about exactly the sort of thing I love to read This was a joy to read from start to finish Conn Iggulden author of the Conqueror and Emperor series Oswald s head is on a spike Can Oswiu avoid the same fate The great pagan king Penda set a trap and when the brothers Oswiu and Oswald walked in only one came back alive Rumours abound that the place where Oswald s body is strung up has become sacred ground a site of healing for those who seek it Oswald s mother believes he will protect those he loves even beyond the grave So she asks the impossible of Oswiu to journey to the heart of Penda s kingdom and rescue the body that was stolen from them Oswiu King of Kings is the masterful conclusion to The Northumbrian Thrones trilogy

Lured by the Hoard Ian Walford, 2021-10-01 Emotions swing wildly in this tense intriguing tale of mystery and obsession Ordinary folk react in dramatically different ways as they are caught up in savage struggles between Anglo Saxon and British warlords The story hinges on a fateful night in the kingdom of Northumbria in AD638 Two young men dig up a priceless treasure hoard and re bury it on a lonely hillside Prejudice greed fear and jealousy shape the many personal stories which have led the men to this point Events twist and turn over the next few weeks towards a nerve wracking climax as they are pulled in different directions their loyalties tested to the limit repeatedly

The Charlemagne Legend in Medieval Latin Texts William J. Purkis, Matthew Gabriele, 2016 Essays on the various manifestations of Charlemagne and his legends This book explores the multiplicity of ways in which the Charlemagne legend was recorded in Latin texts of the central and later Middle Ages moving beyond some of the earlier canonical raw materials such as Einhard s *Vita Karoli Magni* to focus on productions of the eleventh to fifteenth centuries A distinctive feature of the volume s coverage is the diversity of Latin textual environments and genres that the contributors examine in their work including chronicles liturgy and pseudo histories as well as apologetical treatises and works of hagiography and literature Perhaps most importantly the book examines the many lives that Charlemagne was believed to have lived by successive generations of medieval Latin writers for whom he was not only a king and an emperor but also a saint a crusader and indeed a necrophiliac

William J Purkis is a Senior Lecturer in Medieval History at the University of Birmingham Matthew Gabriele is an Associate Professor of Medieval Studies in the Department of Religion Culture at Virginia Tech Contributors Jeffrey Doolittle Matthew Gabriele Miguel Dolan Gmez Oren Margolis William J Purkis Andrew J Romig Sebastian Salvad Jace Stuckey James Williams

The Rose Cross and the Age of Reason Christopher McIntosh, 2012-01-02 This new edition of Christopher McIntosh's classic book on the Golden and Rosy Cross order is eagerly awaited The order stands out as one of the most fascinating and influential of the high degree masonic and illuminist groups that mushroomed in Europe from the 18th

century onward Active mainly in the German speaking lands it recast the original Rosicrucian vision and gave it renewed vitality At one point it became politically influential when the Prussian King Frederick William II was a member of the order Historians have often perceived the Golden and Rosy Cross as having had a conservative anti Enlightenment agenda but this study drawing on rare German sources shows that the matter was more complex The members of the order practiced alchemy and operated a degree system that was later imitated by later orders such as the Golden Dawn Like the latter the Golden and Rosy Cross exerted a wide and enduring cultural influence Both the alchemy of the order and its powerful ritual system are insightfully described in Christopher McIntosh s clear and compelling style
