**The Known Economy** Colin Danby, 2017-06-26 Why do critics and celebrants of globalization concur that international trade and finance represent an inexorable globe bestriding force with a single logic The Known Economy shows that both camps rest on the same ideas about how the world is scaled Two centuries ago romantic and rationalist theorists concurred that the world was divided into discrete nations moving at different rates toward a modernity split between love and money Though differing over whether this history is tragedy or triumph they united in projecting an empty international space in which a Moloch like global capitalism could lurk The

Known Economy tracks the colonial development of national accounting and re examines the ways gender and heteronormativity are built in to economic representation It re interprets the post WWII spread of standardized economic statistics as the project of international organizations looking over the shoulders of national governments rather than the expanding power of national governments over populations [Commerce Business Daily](#) ,2001-08 **Field & Stream** ,1971-08 FIELD STREAM America s largest outdoor sports magazine celebrates the outdoor experience with great stories compelling photography and sound advice while honoring the traditions hunters and fishermen have passed down for generations **Building** ,1912 *The Spectator* ,1855 A weekly review of politics literature theology and art [Acne F.
