

# Argumentative Paper Format

*\*Please note that this is only a sample format. There are multiple ways to organize an argumentative paper*

## • INTRODUCTION

- 1-2 paragraphs tops
- **PURPOSE:** To set up and state one's claim
- **OPTIONAL ELEMENTS**
  - Make your introductory paragraph **interesting**. How can you draw your readers in?
  - What **background information**, if any, do we need to know in order to understand your claim? If you don't follow this paragraph with a background information paragraph, please insert that info here.
- **REQUIRED ELEMENTS**
  - If you're arguing about a literary work—state author + title
  - If you're arguing about an issue or theory – provide brief explanation or your of issue/theory.
  - If you're arguing about a film—state director, year + title
  - **STATE** your claim at the end of your introductory paragraph

## • BACKGROUND PARAGRAPH

- 1-2 paragraphs tops; Optional (can omit for some papers). Also, sometimes this info is incorporated into the introduction paragraph (see above).
- **PURPOSE:** Lays the foundation for proving your argument.
- Will often include:
  - Summary of works being discussed
  - Definition of key terms
  - Explanation of key theories

## • SUPPORTING EVIDENCE PARAGRAPH #1

- **PURPOSE:** To prove your argument. Usually is one paragraph but it can be longer.
- **Topic Sentence:** What is one item, fact, detail, or example you can tell your readers that will help them better understand your claim/paper topic? Your answer should be the topic sentence for this paragraph.
- **Explain Topic Sentence:** Do you need to explain your topic sentence? If so, do so here.
- **Introduce Evidence:** Introduce your evidence either in a few words (As Dr. Brown states "...") or in a full sentence ("To understand this issue we first need to look at statistics").
- **State Evidence:** What supporting evidence (reasons, examples, facts, statistics, and/or quotations) can you include to prove/support/explain your topic sentence?
- **Explain Evidence:** How should we read or interpret the evidence you are providing us? How does this evidence prove the point you are trying to make in this paragraph? Can be opinion based and is often at least 1-3 sentences.
- **Concluding Sentence:** End your paragraph with a concluding sentence that reasserts how the topic sentence of this paragraph helps up better understand and/or prove your paper's overall claim.

Wood, 2000-05 This brief rhetoric helps students develop strategies for critical reading critical thinking research and writing that will help them argue clearly and convincingly It teaches them to identify and develop arguments to read and form reactions and opinions of their own to analyze an audience to seek common ground and to use a wide realistic range of techniques to write argument papers that express their individual views and original perspectives on modern issues It includes clear explanations and examples of argument theory and reading and writing processes research and documentation skills and offers engaging class tested writing assignments and activities 49 Essays for Analysis cover several broad issue and sub issue areas all of contemporary concern Unique chapters discuss student argument styles Rogerian argument and argument and literature How to Write an Essay in Five Easy Steps , **The Teenage Writer** Timothy Horan, 2023-09-13 An accessible guide to help teenagers improve all aspects of their writing skills from preparing a research paper to creating works of fiction Writing well is a worthwhile skill for anyone to master but it is especially important for teenagers To be successful young adults must write for school college and employment and sometimes young adults write to be creative or to express themselves Despite this most teens don't know how to write well and this can be a source of great frustration and stress In *The Teenage Writer A Guide to Writing for School and Creativity*

Dr Timothy Horan presents a remedy for this deficiency. He starts from a belief that all teens are writers at heart whether they are writing for fun or for school and can develop their skills and writing potential through proper instruction and practice. Written with a light touch, Horan uses experience, compassion, and humor to make all aspects of writing transparent and understandable. In this book, for example, he provides readers with the following advice: The best writing is clear and simple. Always start with an outline. Analyze things in terms of threes. Write the way you talk. Believe in yourself and in your ideas. From writing an outline to a paragraph to a research paper, Horan explains all steps of writing in an accessible, enjoyable manner that takes the anxiety out of the process. An invaluable guide for young writers of all levels and abilities, this book will also be useful for parents, teachers, and all who want to understand the art of writing well.

**The Structure of Argument** Annette T. Rottenberg, Donna Haisty Winchell, 2011-08-03. The Structure of Argument covers critical thinking, reading, writing, and research. It is concise but thorough and presents everything students need in an affordable, compact format. The Structure of Argument includes questions, exercises, and writing assignments, and a full semester's worth of readings. Now presenting Aristotelian and Rogerian as well as Toulmin argument, it includes many fresh readings and additional support for academic writing to help students stake their claim. Its emphasis on Toulmin argument makes Structure highly teachable since the approach fits with the goals of the composition course. An electronic edition is available at half the price of the print book.

*Practical Argument* Laurie G. Kirsznér, Stephen R. Mandell, 2011-05-16. From the best-selling authors of the most successful reader in America comes Practical Argument. No one writes for the introductory composition student like Kirsznér and Mandell, and Practical Argument simplifies the study of argument. A straightforward, full-color, accessible introduction to argumentative writing, it employs an exercise-driven, thematically focused, step-by-step approach to get to the heart of what students need to understand argument. In clear, concise, no-nonsense language, Practical Argument focuses on basic principles of classical argument and introduces alternative methods of argumentation. Practical Argument forgoes the technical terminology that confuses students and instead explains concepts in understandable, everyday language, illustrating them with examples that are immediately relevant to students' lives.

*Reading and Writing for Civic Literacy* Donald Lazere, 2017-07-05. Lazere's book is heaven-sent and will provide a crucial link in the chain of understanding how conflicts are structured and, most importantly, how they can be rationally addressed, a healthy antidote to the scepticism that has become so pervasive in academic life. Alan Hausman, Hunter College. This innovative book addresses the need for college students to develop critical reading, writing, and thinking skills for self-defence in the contentious arena of American civic rhetoric. In a groundbreaking reconception of composition theory, it presents a comprehensive critical perspective on American public discourse and practical methods for its analysis. Exercises following the text sections and readings help students understand the ideological positions and rhetorical patterns that underlie opposing viewpoints in current controversies such as the growing inequality of wealth in America and its impact on the finances of college students.
