1, 2, and 3 John: An Introduction and Study Guide Warren Carter, 2024-07-11 This insightful study engages the debates and interpretations of the brief and somewhat elusive writings known in the Christian canon as 1 2 and 3 John Chapter 1 identifies six unknowns about the origins of the three writings authors relationship to John s Gospel order date and location of the writings and their audiences Chapters 2 and 3 delineate the debate concerning the relationship of these writings to a purported Johannine tradition and Johannine community in which a schism is claimed to have occurred An alternative view recognizes that while there are some connections with John s Gospel it is more compelling to see the writings as independent rather than derivative as internally not externally directed as pastoral not polemical and as schism free Chapters 4 7 discuss important aspects of 1 John Chapter 4 argues that its structure or organization is based on rhetorical and conceptual links among the writing s small units Chapter 5 reads 1 John as a pastoral in house writing rather than a polemical attack on opponents Chapter 6 identifies the genre of I John as not a letter or sermon but an epideictic speech that seeks to strengthen the identity commitments and practices of its believing recipients Chapter 7 outlines theological understandings that underpin the writing s pastoral work Chapters 8 and 9 focus on 2 and 3 John as writings that provide two different approaches to itinerant teachers The narrative fiction in 2 John presents the elder s warning and skepticism about itinerant teachers whereas the author of 3 John by contrast advocates reception and welcome for itinerant teachers

In *The Only Study Guide You'll Ever Need*, I'll cover a range of different topics, including how to get started and pick up that pen, learning techniques that actually work, the science of memory, the dos and don'ts of timetabling, and combatting fear of failure, perfectionism, exam stress, and so much more.
