

The Outsiders

by S. E. Hinton

Please answer the following questions on a separate sheet of paper.

Chapter 1

1. Who are the Socs? Who are the Greasers?

Socs - rich, madras, mustangs, East side

Greasers - poor, t-shirts and jeans, West side

2. How is Pony's relationship with Darry different from his relationship with Soda?

Darry is more like a father-figure to Pony. He loves him, but they argue a lot and he is hard on him. Soda and Pony are friends. He really understands Pony and they have a lot in common.

3. Why is the "gang" so important to Johnny?

He relies on them like family, because his father abuses him and his mother ignores him.

4. Do you think Darry loves Pony? Why does he treat Pony the way he does?

Yes, he does love Pony. He is hard on Pony because he doesn't want him to get in trouble because then the boys would be split up. He wants Pony to have a good life.

5. Explain what Pony means when he says, "I lie to myself all the time". Why do you think people lie to themselves?

He tries to convince himself something is truth. For example, he tries to convince himself that he doesn't care that Darry doesn't love him, but he does care whether or not Darry loves him.

Chapter 2

1. Who are Cherry and Marcia?

Two Socy girls Pony and Johnny picked up at the drive-in.

2. Why is it strange that Cherry and Pony get along so well?

Socs and Greasers shouldn't get along, but Cherry and Pony have a lot in common - sunsets, dreamers, school.

3. According to Two-Bit, what is a "fair fight"? Why don't Socs fight fair?

Outsiders Together Natania Rosenfeld, 2001-09-24 The marriage of Virginia and Leonard Woolf is best understood as a dialogue of two outsiders about ideas of social and political belonging and exclusion These ideas infused the written work of both partners and carried over into literary modernism itself in part through the influence of the Woolfs groundbreaking publishing company the Hogarth Press In this book the first to focus on Virginia Woolf's writings in conjunction with those of her husband Natania Rosenfeld illuminates Leonard's sense of ambivalent social identity and its affinities to Virginia's complex ideas of subjectivity At the time of the Woolfs marriage Leonard was a penniless ex colonial administrator a fervent anti imperialist a committed socialist a budding novelist and an assimilated Jew who vacillated between fierce pride in his ethnicity and repudiation of it Virginia was an intellectual aristocrat socially privileged by her class and family background but hobbled through gender Leonard helped Virginia elucidate her own prejudices and elitism and his political engagements intensified her identification with outsiders in British society Rosenfeld discovers an aesthetic of intersubjectivity constantly at work in Virginia Woolf's prose links this aesthetic to the intermeshed literary lives of the Woolfs and connects both these

sites of dialogue to the larger sociopolitical debates about imperialism capitalism women sexuality international relations and finally fascism of their historical place and time

The Outsider Interviews Jim Henderson, Todd Hunter, Craig Spinks, 2010-07-01 Statistics tell us that Christianity has an image problem But what are the stories behind the stats This question led Jim Henderson Todd Hunter and Craig Spinks to host a national interview tour with young non Christians and Christians in Kansas City Phoenix Denver and Seattle They wanted to hear why Christians get such a bad rap and what we can do to improve Inspired by David Kinnaman s bestselling book *unChristian* *The Outsider Interviews* provides close encounters with what a new generation really thinks of Christianity and helps readers learn to live faithfully in a fast changing world

Guard Dog Training Dennis Thompson, 2023-01-28 **GUARD DOG TRAINING** A complete step by step guide on how to effectively train your dog for complete obedience personal protection and home security Dog Protection training is there to train your dogs to protect you when no one else can for instance when involved in a hi jacking hold up gun attacks and attacks at home This book on training guard dogs will train your dog to protect you when protection is needed In here personal protection training is taught and not attacks work Dogs need to distinguish when to bite and when not to You do not want your child to get bitten or have a lawsuit against you Personal protection is taught at home in the car when the handler cannot give a protection command when a gun is shot etc most dogs don t do protection jobs naturally and this book will help train your dog either as a puppy or as an adult You will also be able to learn ways to test the dog as it grows This book will also answer all your unanswered questions about how best to raise a guard dog to protect you and your household In the success story of Brett and Major you will read that Major is a true hero Major and Brett did not have to do protection dog training they had such a strong bond that Major saved many lives on the night they were attacked This is what we strive for when you train your dog It makes a total difference if the dog likes you as many dogs do not want to be around their owners because they haven t bonded with each other We have had on many occasions handlers and their families protected by their dogs that had dog protection training with us Handlers and their families were saved from a hi jacking hold up gun attacks attacks at home because of their loyal dogs **GRAB YOUR COPY NOW**

The Age of Dualization Patrick Emmenegger, Silja Häusermann, Bruno Palier, Martin Seeleib-Kaiser, 2012-08-01 Poverty increased inequality and social exclusion are back on the political agenda not only as a consequence of the Great Recession of 2008 but also because of a seemingly structural trend towards increased inequality in advanced industrial societies that has persisted since the 1970s Policies in labor markets social policy and political representation are strongly linked in the creation widening and deepening of insider outsider divides a process known as dualization While it is certainly not the only driver of increasing inequality its development across multiple domains makes dualization one of the most important current trends affecting developed societies The comparative perspective of this book provides insights into why Nordic countries witness lower levels of insider outsider divides whereas in continental liberal and southern welfare states they are more likely to constitute a core

characteristic of the political economy Most importantly the comparisons presented in this book point to the crucial importance of politics and political choice in driving and shaping the social outcomes of deindustrialization While increased structural labor market divides can be found across all countries governments have a strong responsibility in shaping the distributive consequences of these labor market changes Insider outsider divides are ultimately the result of political choice A landmark publication this volume is geared for faculty and graduate students of economics political science social policy and sociology as well as policymakers concerned with increasing inequality in a period of deep economic and social crisis

The Sparking Discipline of Criminology Stephan Parmentier, 2011 In recent decades the Australian social scientist John Braithwaite has played a crucial role in the development of international criminology He is considered one of the most renowned criminologists of our time and he has put his scientific engagement at the service of humanity and society by aiming at social justice participatory democracy sustainable development and world peace In this collection of essays well known academics reflect on Braithwaite's work by addressing two leading questions What are the implications of a republican theory of justice for criminology and criminal policy And what is the role of academic criminology in today's social political and economic environment The volume concludes with an extensive contribution from John Braithwaite himself in which he not only to the essays in the book but also addresses challenges to and future directions for academic criminology
