

The Redemption Manual Review

The Redemption Manual Review

The Redemption Manual is an invaluable asset to the redemption process, but more importantly, it provides a connection of the dots, by providing valuable history as to legislation and other factors where we have been concerned and allowing that responsible for altering our state of being.

The Redemption Manual covers UCC1 Finance Statement, Commercial Security Agreement, Schedule A documents, and a plethora of affidavits which address a wide variety of pertinent situational documents. A great deal of history is bestowed within the pages, how the constitution has been changed to be utilized to means other than for the advancements to the current earth civilization.
