

REFLECTION PAPER ABOUT MY INTERSHIP JOURNEY

I'm uncertain where to begin, but possibly with my introduction to teaching a Grade 3 class with garments focus. I am aware that they perceived me to be insane, and I derive pleasure from such a label. I started to understand my students, how they learn and what motivate them to learn. But my approach for them is not just based on my perspective as some experts claim that children who don't have enough play will less likely to learn. I enjoyed testing what I learned from books such as what John Dewey believe that learning is by doing. In my Grade 3 class where we have laboratory works, I strictly don't allow any students to teach their
