doing vibrational work or chanting Thoh rhymes with toe at a middle or high C note This triggers a vibration in the pineal which cause the third eye and its chakra to open The exact techniques are included in the book If you open the crown chakra associated with the pituitary gland you can improve some of your natural psychic abilities including clairaudience clairvoyance and clairsentience Vibrational work for this chakra uses the sound May Breathing techniques and the exact way of toning to open the chakra are fully explained You ll also learn how to see the aura and interpret its colors as well as how to open all of the chakras The book also explains techniques to send the mysterious kundalini energy through the chakras But this book has more It includes the secrets of channeling such as working with angels and spirit guides It goes on to share methods of astral projection and then reveals the secrets of reincarnation Ancient Teachings for Beginners is easy to understand and the techniques are a snap to use If you are looking for an introduction to the secrets of the teachings of the ancient mystery schools this book is for you

### **The Journey of Rainsnow** J. Rainsnow, 2002-01-30

The JOURNEY OF RAINSNOW centuries in the making yet destined for our own times is an extraordinary book at the same time personal and universal private and planetary THE JOURNEY OF RAINSNOW is the story of one man s mystical odyssey of self discovery as he leaves behind the fetters of his rational past to map out a new territory of life within his heart It is a story which moves from the hard practical streets of New York City to a New Age awakening driven by paranormal experiences powerful synchronicities and a vivid stream of past life memories which give us glimpses of times and places as diverse as ancient Egypt and Greece feudal Japan and imperial China Maya and Aztec Mexico Native North America and Nazi Germany As the adventure unfolds so too do history s most critical lessons and the deepest mysteries of life THE JOURNEY OF RAINSNOW destined to be a New Age classic is truly a must read for anyone immersed in the search for life s meaning for anyone committed to the struggle of our world to heal and survive

### *Remarkable Healings* Shakuntala Modi, 2025-09-12

Psychiatry remains an emerging discipline Many people suffer from ailments that have no apparent cause no obvious cure Quite by accident while using hypnotherapy Dr Modi discovered that pastlife regression can be a beneficial treatment Many of these patients under hypnosis claimed to have spirits attached to their bodies and energy fields creating psychological and physical problems Based on years of experience Dr Modi describes techniques that release these spirits revealing how patients can sometimes recover within a few sessions While most doctors would agree that emotional states affect our health few would give credence to spiritual influences In this truly groundbreaking book Dr Modi presents evidence that something beyond the physical affects the health of many people and urges medical scientists to objectively assess this revolutionary approach to mental and often physical illness Pioneers have the courage to put aside the status quo and evaluate what the evidence shows even if it defies the prevailing logic of the time Both physicians and the general public should explore the pioneering work of Dr Modi work which no doubt has produced many remarkable healings

### Judy Hall's Book of Psychic Development

Judy Hall, 2014-05-01 Drawing on Judy s many years as a psychic soul retriever and past life regression therapist this book

helps you to avoid the pitfalls of the psychic path and to successfully navigate the challenging psychic situations that arise if things go wrong      *Rebirth in Early Buddhism and Current Research* Bhikkhu Analayo, 2018-04-23 Join a rigorous scholar and Buddhist monk on a brisk tour of rebirth from ancient doctrine to contemporary debates German Buddhist monk and university professor Bhikkhu Analayo had not given much attention to the topic of rebirth before some friends asked him to explore the treatment of the issue in early Buddhist texts This succinct volume presents his findings approaching the topic from four directions The first chapter examines the doctrine of rebirth as it is presented in the earliest Buddhist sources and the way it relates to core doctrinal principles The second chapter reviews debates about rebirth throughout Buddhist history and up to modern times noting the role of confirmation bias in evaluation of evidence Chapter 3 reviews the merits of current research on rebirth including near death experience past life regression and children who recall previous lives The chapter concludes with an examination of xenoglossy the ability to speak languages one has not learned previously and chapter 4 examines the particular case of Dhammaruwan a Sri Lankan boy who chants Pali texts that he does not appear to have learned in his present life *Rebirth in Early Buddhism and Current Research* brings together the many strands of the debate on rebirth in one place making it both comprehensive and compact It is not a polemic but an interrogation of the evidence and it leaves readers to come to their own conclusions
