Revenge Reiki Rishi Rohit Sharma, *Revenge Reiki Harnessing Energy for Justice* There are moments in life when we are unfairly hurt or deprived of the joy and success we deserve Whether it s in your career relationships or other areas of life the desire for justice or even retribution can arise Do you feel exhausted by unwelcome intrusions disruptive energies and interference from others who send negative vibes destructive thoughts evil intentions or harmful influences your way Picture a scenario where your boss humiliates you at work a partner betrays your trust or an ex causes chaos in your life Regardless of the reason know that I am here to guide you and offer support Instead of internalizing their bad karma why not reflect it back to them With Revenge Reiki the karmic balance shifts allowing all the negativity thoughts actions desires and low vibrations that someone directed towards you to be returned to them They will experience the consequences of their own actions But remember this isn t about sending harmful energy it s about reflecting their own energy back to them like a mirror When someone disrupts your peace causes distress or ruins your day or even your life why should they escape accountability They shouldn t Make sure they receive what they deserve Rest assured Revenge Reiki is safe for your overall well being

*Alternative Healthcare* Jack Raso, 2013-12-05 Raso examines the philosophical underpinnings of alternative medicine as well as hands on healing Qigong and faith healing He shows that whatever the specific philosophy the common denominator is a rejection of the scientific approach of modern medicine in favor of a belief in paranormal forces that influence the well being of mind and body The final section is a firsthand account of Raso s many revealing visits to various alternative healthcare practitioners The book concludes with an encyclopedic glossary of alternative healthcare terminology

**Alternate Currents** Justin B. Stein, 2023 In the second half of the twentieth century Reiki went from an obscure therapy practiced by a few thousand Japanese and Japanese Americans to a global phenomenon By the early twenty first century people in nearly every corner of the world have undergone the initiations that authorize them to channel a cosmic energy known as Reiki to heal body mind and spirit They lay hands on themselves and others use secret symbols and incantations to send Reiki to distant recipients and strive to follow five precepts to cultivate their spiritual growth Reiki s international rise and development is due to the work of Hawayo Takata 1900 1980 a Hawai i born Japanese American woman who brought Reiki out of Japan and adapted it for thousands of students in Hawai i and North America shaping interconnections across the North Pacific region as well as cultural transformations over the transwar period spanning World War II *Alternate Currents Reiki s Circulation in the Twentieth Century North Pacific* analyzes how from her training in Japan in the mid 1930s to her death in Iowa in 1980 Takata built a vast trans Pacific network that connected Japanese American laborers on Hawai i plantations to social elites in Tokyo Hollywood and New York middle class housewives in American suburbs and off the grid tree planters in the mountains of British Columbia Using recently uncovered archival materials and original oral histories Stein examines how these relationships between healer and patient master and disciple became deeply infused with values of their time and place and how they interplayed with Reiki s circulation performance and meanings along with broader cultural shifts in the twentieth century North Pacific Highly readable and informative each chapter is structured around a period in the life of Takata the charismatic rags to riches architect of the network in which Reiki spread for decades *Alternate Currents* explores Reiki as an exemplary transnational spiritual therapy demonstrating how lived

practices transcend artificial distinctions between religion and medicine and circulate in global systems while maintaining strong connections with the practices homeland
