In this book author Tina Schwartz discusses many matters that are not often presented in guides to writing and publishing such as the importance of mentors and critique groups as well as courses and extracurricular activities that can be of great help to the up-and-coming teen author. The book explores various writing careers and the basics of publishing and marketing including how to write query letters. Schwartz also provides tips on writing both fiction and nonfiction as well as genres a new author can explore like poetry and songwriting. With this resource teens will find all the information they need to develop writing skills and build confidence as a writer.
