*The Communist and the Revolutionary Liberal in the Second American Revolution* August H. Nimtz, Kyle A. Edwards, 2024-08-05 Nimtz's and Edwards's real time comparative political analysis offers a unique look at two historically consequential figures with two very different theoretical and political perspectives both of whom expertly examined the most contentious issue of the nineteenth century By juxtaposing the political thought and activism of Karl Marx and Frederick Douglass Nimtz and Edwards are able to make insightful observations and conclusions about race and class in America The Communist and the Revolutionary Liberal reveals how two still competing political perspectives liberalism and Marxism performed when the biggest breakthrough for the millennial old democratic quest after the French Revolution occurred the abolition of chattel slavery in the United States In so doing it presents potential lessons for today Listen to the podcast about this title on New Books Network

*Killer In Orbit* Kyle Smith, 2024-08-17 In Kyle Smith's gripping debut science fiction thriller Killer In Orbit the boundary between Earth and the cosmos becomes a battleground for survival betrayal and the darkest aspects of human nature Detective Bridger Stone a man haunted by his past and struggling with personal demons finds himself thrust into a high stakes mission that will test his resolve and challenge everything he thought he knew about justice As Earth's first interplanetary colonization attempt unfolds Stone is tasked with ensuring the safety and security of the crew aboard the spacecraft bound for Mars But before the ship can reach its red planet destination a sinister plot begins to unravel both on Earth and within the confines of the vessel itself Stone must navigate a treacherous web of deceit where every crew member is a potential suspect and every decision could mean the difference between life and death Smith masterfully alternates between the claustrophobic tension filled environment of the spacecraft and the politically charged atmosphere back on Earth As the mystery deepens and the body count rises readers are taken on a pulse pounding journey

that explores the depths of human ambition the price of progress and the moral complexities that arise when faced with impossible choices With a diverse cast of complex characters each harboring their own secrets and motivations *Killer In Orbit* delves into the psychological toll of isolation the fragility of trust and the lengths people will go to survive Smith s attention to scientific detail and plausible future technology grounds the story in reality making the extraordinary events feel all the more possible and terrifying As Stone races against time to uncover the truth he must confront not only the immediate threats aboard the ship but also the far reaching consequences of failure The fate of the mission the crew and potentially the future of human space exploration hang in the balance Smith s writing crackles with energy seamlessly blending pulse pounding action sequences with moments of quiet introspection and philosophical depth *Killer In Orbit* is more than just a space thriller it s a profound exploration of the human condition when pushed to its limits both physically and mentally Prepare to be captivated by a story that spans the gulf between Earth and the stars where danger lurks in every shadow and the true killer might be closer than anyone realizes Kyle Smith s *Killer In Orbit* is a tour de force that announces the arrival of a bold new voice in science fiction promising to keep readers on the edge of their seats until the very last page **The**
