Federal Register ,2008-05-21 **Annual Report of the State Board of Health and Vital Statistics of the Commonwealth of Pennsylvania** Pennsylvania. State Board of Health and Vital Statistics,1897 **Individual electoral registration and electoral administration** Great Britain: Parliament: House of Commons: Political and Constitutional Reform Committee,2011-11-04 In this report the Political and Constitutional Reform Committee welcomes the Government's decision to move to a system of individual electoral registration in 2014/15 to replace the existing outdated system of registration by household The Committee raises a number of concerns about the Government's implementation plan Firstly levels of registration will fall by an uncertain amount at first and if this fall is uneven across the country it will have a marked and potentially partisan effect on the parliamentary constituency boundaries to be used at the 2020 general election This risk is enhanced by the proposal to make voter registration voluntary The Committee recommends that it should initially be an offence to fail to complete a voter registration form as is currently the case in Northern Ireland A second concern is that the electoral registers used for the 2015 general election and initial invitations to register individually will contain significant inaccuracies This is because of the Government's decision not to remove voters registered in 2013 from the rolls until after that general combined with the decision not to hold a full household canvass in 2014 Thirdly vulnerable electors may be disenfranchised by the Government's decision to require postal and proxy voters to register individually before the 2015 general election The Committee also recommends the abolition of the edited register The report also comments on other electoral reforms the Government is proposing including to the timetable for parliamentary elections and largely endorses them **Army and Navy Register** ,1928 **The Grants Register 2026** Palgrave Macmillan,2025-09-18 The Grants Register 2026 is the most authoritative and comprehensive guide available of postgraduate and professional funding worldwide It contains international coverage of grants in almost 60 countries both English and non English speaking information on subject areas level of study eligibility and value of awards and information on over 5 100 awards provided by over 1 300 awarding bodies Awarding bodies are arranged alphabetically with a full list of awards to allow for comprehensive reading The Register contains full contact details including telephone fax email and websites as well as details of application procedures and closing dates It is updated annually to ensure accurate information *The Grants Register 2016* Palgrave Macmillan Ltd,2016-12-27 The most comprehensive guide on postgraduate grants and professional funding globally For thirty four years it has been the leading source for up to date information on the availability of and eligibility for postgraduate and professional awards Each entry is verified by its awarding body and all information is updated annually **Official Register** Harvard University,1926 *Columbia University Bulletin : Faculty of Dental and Oral Surgery : Postgraduate Programs in Dental Specialties* Columbia University.
