**Trading by Numbers** Rick Swope, W. Shawn Howell, 2012-02-03 Get the E Trade experts inside track on playing the markets. For retail traders knowing which possible strategies to employ when has always been a challenge. That is until now. For the first time popular E Trade educators Rick Swope and Shawn Howell introduce their two dimensional scoring system for determining how bullish bearish a trade setup looks by reading charts. In Trading by Numbers they present a scoring system that uses a trend score and a volatility score removing the guesswork and giving you a solid guide to the markets. Based on the score the authors provide a toolkit of option strategies that are best to execute in each specific situation. Using common indicators and patterns the book provides analysis for choosing your right strategy while managing risk. Authors Swope and Howell are accomplished market educators and their partners are the leaders in trading and investing including E Trade CBOE OIC NYSE NASDAQ OMX CME and ISE. An easy to use guide that will help you make the best decisions in any situation the book is essential for traders at all levels. Trading by Numbers outlines a proprietary market scoring system that helps traders determine the best option strategies to execute in any market climate.

**TradeStation Made Easy!** Sunny J. Harris, 2011-04-05 Customize your trading plan for greater profits using the most popular charting software. The majority of professional and individual traders use some kind of trading software on which to base their strategies. With over 100 000 users the most popular trading software today is TradeStation published by TradeStation Technologies. While this software is favored by many TradeStation's computer language can be confusing especially for the novice. TradeStation Made Easy is the first and only book to explain exactly how to use the unique computer language behind this bestselling software program. It is not meant as a replacement for the TradeStation manuals; instead it will cover the essence of programming in EasyLanguage and focus on a consistent set of data and an elementary system throughout. An easily understood guide to TradeStation that also provides tips for the user in designing a personalized trading system. Endorsed by the software provider TradeStation Technologies. Written in a straightforward manner that is accessible even for those with little computer experience. TradeStation Made Easy fills a

much needed gap in this area and puts the basics of EasyLanguage in perspective. With it, you'll be able to write simple and intermediate programs that will accurately express your theories and ideas about whatever market interests you. **The Startup Owner's Manual** Steve Blank, Bob Dorf, 2020-03-17 More than 100,000 entrepreneurs rely on this book. The National Science Foundation pays hundreds of startup teams each year to follow the process outlined in the book, and it's taught at Stanford, Berkeley, Columbia, and more than 100 other leading universities worldwide. Why? The Startup Owner's Manual guides you step by step as you put the Customer Development process to work. This method was created by renowned Silicon Valley startup expert Steve Blank, co-creator with Eric Ries of the Lean Startup movement, and tested and refined by him for more than a decade. This 608-page how-to guide includes over 100 charts, graphs, and diagrams, plus 77 valuable checklists that guide you as you drive your company toward profitability. It will help you avoid the 9 deadly sins that destroy startups' chances for success. Use the Customer Development method to bring your business idea to life. Incorporate the Business Model Canvas as the organizing principle for startup hypotheses. Identify your customers and determine how to get, keep, and grow customers profitably. Compute how you'll drive your startup to repeatable, scalable profits. The Startup Owners Manual was originally published by K&S Ranch Publishing Inc. and is now available from Wiley. The cover design and content are the same as the prior release and should not be considered a new or updated product.
