Volume 1** L. ROBINSON,2020-12-24 The Ultimate Trader Workbook Handbook is a great tool to help you improve your profitability with trading and investments Understanding your own self is key Keeping a journal of your trades and investments allows you to execute your plan in the most efficient way and holds yourself accountable to your plan Tracking your successes and your process is the best way to learn The physical act of writing or journaling what you ve learned each day allows you to learn faster and go further The first page helps you flush out your own trading and personal goals There are 5 segments of 10 trades 50 trades in total After each segment of 10 trades there is a Review Growth page that allows you to review your previous 10 trades You can use what

you've learned from your previous trades and implement them for the following 10 trades. There's a section for your success ratio and your profitability. At the end of your 50 trades, there is a final review. This is where you put together everything you've learned from the previous 50 trades and how you will use that for your next 50. There's a quick reference guide in the back of the book on chart formations. Using the Chart Formations guide can help you quickly identify trends as they are happening, allowing you to stay on top of the trend.

Trading Code is Open: ST Patterns of the Forex and Futures Exchanges, 100% Profit Per Month, Proven Market Strategy, Robots, Scripts, Alerts Vladimir Poltoratskiy, 2018-08-23. NEW EDITION October 2018. The proven system of trade based on Structural Target Patterns. ST Patterns presented in this book is able to bring a monthly profit equal to 100% or more on average of the deposit amount. To be successful in today's Forex, Futures, Indices, Commodities, and other liquid markets, most of the knowledge and trading techniques accumulated over the last two centuries are not needed at all. The technical portion of a profitable trading system

only needs to include the ST Patterns method This method of assessing market movements by using target models gives traders clear and unambiguous signals regarding their actions in the present moment The graphic figures presented here build upon each other iteratively to create a clear picture of market conditions Unlike the claims of the most popular technical and fundamental analysis methods the trading system in this book does not predict market behavior I no longer need any predictions about prices because their movements have become obvious to me Following the ST Patterns strategy managing trading positions becomes simple It took me many years to establish and improve this trading system and now it is ready to be used by you I believe that at the very least this book can save traders time and money You can spend a whole lifetime in search of the Holy Grail but it is possible to solve the problems associated with trading in just a few days The present determines the future Opportunities to use ST patterns are included in the free preview of the first pages of this book and on my website Note This book ISBN 1719859833 is with black white interior You can also buy a book ISBN 1719837384 with a color interior The month following the book s Trading Code is Open publication perfectly demonstrated the possibilities of using the trading system and showed how almost half of the ST Patterns published in this book operate in practice The technical analysis presented in Forex Strategy ST Patterns Trading Manual EUR USD Chart Analysis Step by Step 300% for One Month book based on accurate calculations will help traders consolidate the acquired knowledge and to increase their own skills with Structural Target Patterns The study of the GBP USD pair will help readers understand the importance of determining periods of market uncertainty in a timely fashion To demonstrate the flexibility of the strategy settings and the formation of short term uncertainty periods the EUR USD pair is shown on five minute charts in one working day on May 31 For nine hours of work the result was approximately 82% of the initial deposit
