MANAGEMENT TRAINING MANUAL for PASTORS and CHURCH WORKERS A. A. JONES, 2016-10-05 Your church workers are your winning team you win or lose based on how you choose to manage train or treat them There is nothing worse in Church work than untrained poor ignorant church workers because they will misrepresent what you stand for As a pastor your success in ministry depends on your workers You can't have Church growth or any meaningful progress without the intelligences faithfulness dedication competences and financial contribution of your Church workers No one succeeds alone where there are no trained workers your vision will perish show me a church worker and I can tell you who the pastor is

Workers in Training Manual Enoch Adeboye, Joseph B Omosigho, 2016-08-04 Commitment to the Almighty God is the highest priority for the Christian and it cannot be taken lightly because of its eternal implications There should be assurance of salvation that is Bible based which lasts forever There is a need for an extra spiritual effort on the souls saved to get them established localised in a church fellowship and mobilised until they too become soul winners It is not enough for the believer in Christ to go forth and bear fruits in obedience to the Lord's command but must also ensure that the fruits abide This is why the Workers in Training programme is packaged to equip believers for service unto God and the edification of the body of Christ Our prayer is that at the end of these teachings you would have become a true Christian on fire for God and ready to take up mountains God bless you as you get empowered for the work of ministry in Jesus name Amen **The Student Leadership Training Manual for Youth Workers** Dennis Tiger McLuen, Chuck Wysong, 2010-12-21 As profound as

relevant as funny as you are teenagers still listen to each other more than to an adult youth worker You may grimace but you can't deny it students talking to each other usually means more to them than adults talking to them The Student Leadership Training Manual helps you equip your senior highers for leading their peers and taking charge of as much of the ministry as they want or are able helping and evangelizing their peers organizing ministry teams planning and executing their own youth ministry programming Here are 31 training sessions for discipling student leaders in a small group setting sessions that start in the Bible and reach deep into teenagers experience ready for you to implement a clear and effective program that trains your students for higher levels of leadership regardless of where they are now Plus 24 pages just for you a veritable primer on how to cultivate student leadership The role of adults Authority vs responsibility Setting student leaders up for success Teaching students not just the whats but the whys and hows Helping them discover their spiritual giftedness Perfect for youth workers CE directors associate pastors and small group leaders anyone who works with a youth group's core kids
