Humphrey, 2014-02-06. For the soldier on the front lines of World War II, a lifetime of terror and suffering could be crammed into a few horrific hours of combat. This was especially true for members of the 99th Infantry Division who repelled the Germans in the Battle of the Bulge and engaged in some of the most dramatic hard-fought actions of the war. *Once Upon a Time in War* presents a stirring view of combat from the perspective of the common soldier. Author Robert E. Humphrey personally retraced the path of the 99th through Belgium and Germany and conducted extensive interviews with more than three hundred surviving veterans. When Humphrey discovered that many 99ers had gone to their graves without telling their stories, he set about to honor their service and coax recollections from survivors. The memories recounted here, many of them painful and long repressed, are remarkable for their clarity. These narratives seamlessly woven to create a collective biography offer a gritty reenactment of World War II from the enlisted man's point of view. Although focused on a single division, *Once Upon a Time in War* captures the experiences of all American GIs who fought in Europe. For readers captivated by *Band of Brothers*, this book offers an often tragic, sometimes heartwarming but always compelling read. **Stores**, 1994. *NNP Fleet Marine: Six Weeks* G. Van Wallace, 2022-11-03. Earth is in political and economic turmoil after being attacked and successfully repelling two world invasions by the Galleen alien civilization. John Smith is an orphan with no options. He joins the NNP Fleet Marines seeking adventure to see the universe and as an opportunity to get out of a bad situation. Soon he is immersed in the notoriously cruel and fast-paced recruit training known as aEUROeSix Weeks. aEUR Smith tells his story, flipping from past to present. Follow him as he experiences his first combat rotation, fighting a ruthless alien race, learns the bond of brotherhood, finds first love, and experiences the pain of having to say farewell. **Omnis: Last Man of Earth** Derrick Howard, 2023-12-14. On Intergalactic Independence Day, Earth 2050, Sledge, a reluctant blind hero, is dragged kicking and screaming into a gallant struggle for survival, just like you. With only a walking stick and grit as aid, he finds himself in a dystopic universe pitted against celestial beings exploiting the confluence of apex AI, cancer, cultures, perpetual acts of genocide, and humankind's irrepressible self-indulgence to exterminate humans for past misdeeds and future crimes. Like you, fate demands Sledge concede if freedom is best achieved by accepting the destiny he shares with all other humans or by continuing to evade it with precious little in hand. This epic action-packed Afrofuturistic sci-fi novel, *Omnis*

Last Man of Earth sets forth Sledge's journey as he tangles with celestials transhumans aliens drones and sentients while beings throughout the universe gather around holoprojectors to wager on Earth's destruction Will you be a spectator in your self destruction or a participant in your survival Read on The clock is ticking Tick tick tick What are you going to do
