Learning from China? Chen, Yunnan, Sun, Irene Yuan, Ukaejiofo, Rex Uzonna, Xiaoyang, Tang, Bräutigam, Deborah, 2016-11-21 The question of how to promote structural transformation is central in fostering sustainable growth and poverty reduction in low income countries in Africa Following China's domestic economic transformation and its growing outward investments in the developing world we seek to understand how Chinese investment in Africa particularly in

manufacturing may help to foster industrialization and in turn the structural transformation of African economies We focus on Chinese investments and partnerships in Nigeria a salient destination for Chinese manufacturing foreign direct investment in Africa and examine the potential mechanisms of technology transfer that might catalyze such transformation We find some small but significant cases of potential technology transfer particularly through technical partnerships between firms However the future potential of such mechanisms will depend on the initiative of Nigerian actors to leverage Chinese investment to their interest

Rogers,2015-09-15 1974 Charged by the Justice Department and the FBI with espionage and facing arrest in Washington D C the CIA intervenes and allows the Soviets to recall Marina Kovalev known as Brenda Farber a Soviet mole in order to avoid the embarrassment of revealing to the world that the U S had been duped Now the CIA sets in motion a covert action to board the vessel returning her to the Soviet Union at its final port of call in Famagusta Cyprus and there deal with her once and for all As the Agency plots the slow progress of the freighter across the Atlantic and into the Eastern Mediterranean the ouzo flows and the cigarette smoke swirls in the Constantia Taverna in Famagusta There the Agency s hired Cypriot assassin Georgios Spyrou and his former sidekick Manos Pavlou who wants in on the action debate the risks of the assignment and how best to carry it out On the ground for the CIA is Orville Middleton an officer under non official cover who recruits Spyrou a former British MI6 hit man However an hour away in the capital city of Nicosia and behind the closed doors of the Soviet Embassy countermeasures are being put into play by the KGB Rezident Suspecting the Americans intend to somehow double cross them Kovalev is secreted off the freighter in Istanbul and flown home But when Spyrou and Pavlou finally board the Soviet bulk freighter Komsomolets Smolensk in Famagusta they are ambushed by the forewarned crew and overpowered From Moscow to the KGB Rezidentura comes instructions the surviving Cypriot hit man is to be transported to the Soviet Union for interrogation Spyrou is jailed aboard the Nikolayev an 8 500 ton Kara class large anti submarine warfare ship of the Soviet Navy s Black Sea Fleet and brought to Novorossiysk There in the naval base town on the Black Sea a KGB interrogator awaits He has orders to break the Cypriot and learn about the plot while awaiting instructions from Moscow

Cornflakes with Whisky Les King,2015-11-25 An affectionate and humorous gallop through the authors four decades of community policing across the Midlands counties of England from the early 1970s until his retirement in 2003 As the author says All cops who have served for some time could both tell and write some good stories In that respect this book is not unique I hope that what is unique is that this story picks up the emotions the characters and the true feelings that so often are not described when cops recount their experiences But

this is more It is a story of two loves The first is the love of a job that served me well for 33 years but just as importantly it is a story of love and marriage that has survived even longer The job and the marriage were entwined inextricably because in the days when this story started they had to be there was no choice Does this sound like survival Well at times it probably was for both of us Do I regret any of it No not one bit Does my wife Jud Well you had better ask her Automotive Global Value Chain Wilson Kia Onn Wong,2017-08-09 Today some suppliers have grown increasingly powerful and in certain cases earn revenues that rival or even exceed that of their automaker clients In the pre globalisation period automakers wielded absolute power over their significantly smaller suppliers This book reveals the upending of this relationship with the gradual shift in the balance of power from automakers to their suppliers in this era of globalisation The book examines how suppliers in the global tyres seats constant velocity joints hereafter CVJs braking systems and automotive semiconductor industries have evolved into powerful oligopolies through a mix of acquisition and organic growth strategies It also highlights how joint ventures could be strategically deployed as springboards to acquisition as they enable firms to familiarise themselves with their partners markets and operations Moreover the book analyses the disruption stirred by the entry of well resourced technology titans into this industry and their inevitable clash with the traditional incumbents This book is an invaluable reference for anyone interested in learning more about the automakers and now their suppliers relentless quest to create market dominating intelligent driving systems Hooked on Ewe Hannah Reed,2015-07-07 In this novel in the national bestselling Scottish Highlands Mystery series aspiring romance novelist Eden Elliott discovers the landscape isn't the only thing that's dramatic when a local woman is done in It's early September in Glenkillen Scotland when American expat and budding romance novelist Eden Elliott is recruited by the local inspector to act as a special constable Fortunately it's in name only since not much happens in Glenkillen For now Eden has her hands full with other things preparing for the sheepdog trial on the MacBride farm a fundraiser for the local hospice and helping her friend Vicki with her first yarn club skein of the month deliveries Everything seems to be coming together until the head of the welcoming committee is found strangled to death with a club member's yarn Now Eden feels compelled to honor her commitment as constable and herd together the clues figure out which ones are dogs and which ones will lead to a ruthless killer **The Self-Propelled Voyager** Duncan R. Jamieson,2015-09-03 Before the last quarter of the nineteenth century people who wanted to travel independently either walked or rode horses Then a newly invented machine changed forever the nature of personal transportation The cycle self propelled bicycles tricycles and tandems allowed almost anyone to travel around town around their region and around the world While dramatic developments in equipment clothing road surfaces and amenities make the physicality of cycling much different from the earlier era the experience of cycling has seen little change The Self Propelled Voyager How the Cycle Revolutionized Travel recounts how a transportation innovation opened the world for not only those who made the journey but also for the armchair travelers who read with interest the cyclists accounts of faraway places Following a brief history of

the development of the cycle this book describes the exploits of long distance riders who wrote of their experiences their triumphs and their tragedies Duncan R Jamieson chronicles their journeys their personal stories and the times in which they lived revealing that despite the continuing rise and fall of cycling interest people continue to enjoy traveling in the slow lane Drawing on books and articles by the women and men who rode and wrote of their travels The Self Propelled Voyager also features photographs from the 1880s up to the modern day illustrating the development of the cycle through history Accessibly written yet comprehensive in its coverage this book will interest not only the cycling enthusiast but historians focusing on sport and sport tourism as well
