Von Schrenck-Notzing,2020-06-16 This book has been considered by academicians and scholars of great significance and value to literature This forms a part of the knowledge base for future generations So that the book is never forgotten we have represented this book in a print format as the same form as it was originally first published Hence any marks or annotations seen are left intentionally to preserve its true nature Phenomena of Materialisation Schrenck Baron von Notzing,1923 **The Phenomena of Materialisation** Douglas Baker,1981-12-01 *The Theosophist* ,1914

Phenomena of Materialisation F. A. P. W. Freiherr von Schrenck-Notzing,1920 *The machine and the ghost* Sas Mays,Neil Matheson,2016-05-16 Focusing on our complex relationship with technology The machine and the ghost explores our culture s continued fascination with the spectral the ghostly and the paranormal Through a series of critical case studies and artists discussions this lively new collection examines topics ranging from contemporary art to cultural theory Produced with renowned specialists within the field including the artist Susan Hiller and the writer Marina Warner the book combines the historical with the contemporary in exploring how the visual culture of paranormal phenomena continues to haunt our imaginations Informed by history and the visual tradition of spiritualism and psychical research the collection is very much concerned to site that tradition within our contemporary concerns such as landscape and environment and recent technological developments Aimed at a broad academic and cultural audience the collection will appeal to all academic levels in addition to those interested in art and culture more widely **The Art of Ectoplasm** Serena Keshavjee,2023-10-20 The legacy of the Hamiltons psychic archive In the wake of the First World War and the 1918 19 pandemic the world was left grappling with a profound sense of loss It was against this backdrop that a Winnipeg couple physician T G Hamilton and nurse Lillian Hamilton began their research documenting and photographing s ances they held in their home laboratory Their

extensive study of the survival of human consciousness after death resulted in a stunning collection of hundreds of photographs including images of tables flying through the air mediums in trances and most curious of all ectoplasm a strange white substance through which ghosts could apparently manifest The Art of Ectoplasm invites readers to explore the Hamiltons research and photographic evidence which has attracted international attention from scholars and artists alike Notable figures like Arthur Conan Doyle participated in the Hamilton family s s ances and their investigations garnered support among the psychical scientific community including renowned physicist Oliver Lodge the inventor of wireless telegraphy In the century since their creation the Hamilton photographs now housed at the University of Manitoba have continued to perplex and inspire as the subject of academic study comedic parody and artistic and cinematic renderings This fascinating collection reflects on the history and legacy of the startling and uncanny images found in the Hamilton Family archive As contemporary society continues to feel the effects of the COVID 19 pandemic The Art of Ectoplasm offers a compelling look at a chapter in social history not entirely unlike our own

The Spiritualist Movement Christopher M. Moreman, 2013-08-27 At once controversial and intriguing Spiritualism has spread from the United States to become a global movement Bringing together perspectives from within the movement and without this unique collection treats readers to insights about Spiritualism s history belief and practice Based on the belief that the dead can communicate with the living through mediums Spiritualism touches concepts as timelessly fascinating as human mortality and the continuing existence of the soul beyond bodily death This comprehensive work will help readers parse the mysteries of this uniquely American religion through three thematically organized volumes Spiritualism in the U S and Globally Evidence and Beliefs and Cultural and Social Issues Drawing on fields as diverse as psychology sociology religious studies anthropology history ethnic and gender studies literature and art this broad based collection frames Spiritualism through the views of a team of international scholars Among the many things that separate Spiritualism from mainstream religions is the involvement of women in central leadership roles Such cultural and political elements of the movement are one aspect of this study Of equal interest to believers and skeptics alike will be the work of scholars who have devoted themselves to examining the claim that communication through mediums proves the existence of life after death
