"The history of philosophy exhibits man's search for Truth by the way of discursive reason. A Neo-Thomist, developing St. Thomas' words, *Omnis cognitio est cognoscere inditum Deum in quolibet cognito*, has maintained that the judgment always points beyond itself, always contains an implicit reference to Absolute Truth, Absolute Being. At any rate we may say that the search for truth is ultimately the search for Absolute Truth, God, and even those systems of philosophy which appear to refute this statement, e.g. Historic Materialism, are nevertheless examples of it, for they are all seeking, even if unconsciously, even if they wouldn't recognize the fact, for the ultimate Ground, the supremely Real."

A History of Philosophy,
Frederick Copleston (I, 6)

I Purpose and Objectives:

A. The primary purpose of this or any introductory course is, obviously, to introduce you to the major ideas and writings in the particular field. In this course, you will be introduced to the millennia-spanning conversations on knowledge (or Knowledge), the soul, free will, ethics, government, and aesthetics, with a view to understanding the foundations of each particular view, and the implications of the same. What you do with the introduction is up to you.

B. A secondary purpose is to enable you to intelligently, respectfully, and confidently engage in this conversation, both in class and, eventually, with others outside it, in order to articulate a view of the world that is oriented toward Christ.

C. A tertiary purpose is to encourage you to think through the implications of your ideas and beliefs, with a view to critically refining those views and constructing a more stable, coherent, and truly Biblical worldview.

D. My final purpose is to encourage you to read with understanding and write with clarity, and to be able think, speak, and write with originality, intelligence, and confidence.

II. Course Requirements:

A. You will be expected to read 2-3 hours a week in preparation for this class. Re-reading is encouraged - it's practically required by the material, which has a tendency to be dense. In addition, reading is measured by the quality of the answers to questions about the reading.

B. Questions are to be answered, typed and double-spaced, for each excerpt read, according to the stipulations delineated below, and are due at the beginning of each class period. Writing should be at a college level; if you need help, avail yourself of the college writing center. Please.

C. Class participation is expected. The discipline of philosophy (and it is a discipline) is rooted in

Philosophy, Who Needs It? Jason D. Crowder, 2016-03-02 Too often skeptics charge Christians with having a blind faith Unfortunately believers have added fuel to the charges of skeptics by speaking of their faith illogically But the Christian faith is not a blind faith In fact biblical faith is never a blind irrational faith Christianity rests firmly on the stone that was rejected by the builders which has become the cornerstone Jesus Christ Acts 4 11 Living biblically requires thinking biblically just as to think biblically entails to live biblically as Winfried Corduan notes in the Foreword As followers of Christ believers cannot separate biblical thinking and biblical living These two behaviors are eternally connected not only in the person of Jesus Christ but they stem from the eternal being of God the Father and his eternal truth Christ mandates that his followers love God with their entire being heart soul mind and strength Mark 12 30 How are believers to go about living out this biblical mandate Christian faith is a warranted belief This is why it is so essential that Christians recognize the value and importance of philosophy and its proper place in Christendom and in the Christian's walk *Homiletic Review*, 1894 The KJV, Open Bible Thomas Nelson, 2019-08-06 The Bible is a collection of 66 books written by many writers over a vast time period and yet it's the unified Word of God The Open Bible offers clean and easy navigation through Scripture's interconnected themes and teachings with a time tested complete reference system trusted by millions Plus The Open Bible gives you even more access into the pages of the Word with book introductions and outlines to provide context and themes from beginning to end Features include Easy to navigate topical index with 50 000 entries displaying the connections between 8 000 names places concepts events and doctrines Interactive book introductions and outlines provide historical context themes and verse relationships within Scripture Chain reference doctrinal notes reveal the interconnected big picture of the entire Bible Thomas Nelson's complete cross reference system with over 72 000 cross references located in the center column A newly designed Visual Survey of the Bible provides an easy to follow overview of Scripture's components and genres The exclusive Thomas Nelson KJV Comfort Print at a readable 9 point print size The Comprehensive Bible, 1855 *The New Testament in Color* Esau McCaulley, Janette H. Abandoned to Lust Jennifer Wright Knust, 2006 Early Christians used charges of adultery incest and lascivious behavior to demonize their opponents police insiders resist pagan rulers and define what it meant to be a Christian Christians frequently claimed that they and they alone were sexually virtuous comparing themselves to those marked as outsiders especially non believers and heretics who were said to be controlled by lust and unable to rein in their carnal desires True or not these charges allowed Christians to present themselves as different from and morally superior to those around them

Through careful innovative readings Jennifer Knust explores the writings of Paul Justin Martyr Irenaeus of Lyons and other early Christian authors who argued that Christ alone made self mastery possible Rejection of Christ led to both immoral sexual behavior and ultimately alienation and punishment from God Knust considers how Christian writers participated in a long tradition of rhetorical invective a rhetoric that was often employed to defend status and difference Christians borrowed deployed and reconfigured classical rhetorical techniques turning them against their rulers to undercut their moral and political authority Knust also examines the use of accusations of licentiousness in conflicts between rival groups of Christians Portraying rival sects as depraved allowed accusers to claim their own group as representative of true Christianity Knust s book also reveals the ways in which sexual slurs and their use in early Christian writings reflected cultural and gendered assumptions about what constituted purity morality and truth In doing so Abandoned to Lust highlights the complex interrelationships between sex gender and sexuality within the classical biblical and early Christian traditions **Q.**
