The Meaning of Marriage Study Guide Timothy Keller, Kathy Keller, 2015-09-29 Timothy and Kathy Keller will show you a portrait of marriage as it's meant to be according to the Bible by first throwing out most of what we've been taught about love. Modern culture would have you believe that everyone has a soul mate, that romance is the most important part of a successful marriage, that marriage does not mean 'til death do us part, but merely for as long as my needs are being met, and that when serious differences arise, divorce is the best solution. But all of these modern-day assumptions miss what marriage is really about. In this six-session video-based Bible study DVD, digital video sold separately, Timothy Keller along with Kathy, his wife of forty years, draws a profound portrait of marriage from the pages of Scripture that neither idealizes nor rejects the institution but points us back to the relationship between God and man. The result is a vision for marriage that is refreshingly frank and unsentimental yet hopeful and beautiful. This study is for anyone from singles to couples considering marriage to those who have been married for any length of time. Sessions include: Service Marriage Isn't about You, Covenant Created to Make Promises, Roles, Loving through Mutual Submission, Singleness, Strengthening the Spiritual Family, Sex, The Act of Covenant Renewal, Hope, Seeing the Great Horizon. Designed for use with *The Meaning of Marriage* Video Study sold separately.

A Short Guide to Church Dean Inserra,2024-06-04 A common claim in modern American Christianity is that you don t have to go to church to be a Christian The writers of the New Testament however would find a Christian faith separate from the church to be unrecognizable Dean Inserra has often said to his congregation There is more to being a Christian than going to church but there certainly isn t less Belonging to a local church is not something made up by a Christian subculture The local church was God s design It is his grand idea to display his glory and provide the avenue for his people to flourish as his missionaries to the world When one begins to see the church as God s plan the mindset shifts from going to church in order to claim Christianity to seeing oneself as a participant in what God has given his people as a gift There is a purpose design and reason for why the church functions in the manner she does Consistent practices that may seem as merely tradition upon first glance are prescribed by God for his people to practice together until Christ returns The local church congregated together is the Lord s primary plan for discipleship fellowship and mission for the Christian life A Short Guide to Church is not a technical treatment of ecclesiology but rather a book to put in the hands of every prospective and current church member to help the body of Christ expressed locally to see the purposes and plan of the local church for their life of faith and why it truly is the best thing going

Epperly, 2020-11-04 Philippians A Participatory Study Guide is the sixth volume in the Participatory Study Series From beginning to end the student is invited

to absorb the text and allow God's message to change her or his life. At the same time it maintains the series standard of providing a guide that takes account of current biblical scholarship and helps the student examine the text critically while also listening to and being guided by the Holy Spirit. This guide contains eight lessons suitable for use by an individual student but best used in a small group. The lessons are clearly written so that a laity-led class or small group can use them to advantage. In addition there is a guide to using the book that provides insights into Bible study in general and two appendices: one outlining the process of Bible study and one listing and describing useful resources. Each lesson includes prayers, spiritual exercises, thought questions and theological reflection. These are designed to help students learn to see the text in a new way and to realize their full potential through the power of the Holy Spirit. This book will not only impact your knowledge of scripture, it will change the way you pray, live, witness and relate to your community of faith and the world.

Philippians Bible Study Guide plus Streaming Video Lori Wilhite, 2023-08-08 DISCOVER THE HAPPINESS YOU'VE BEEN CHASING. Many of us spend our lives chasing happy through relationships, success and the next adventure. Yet we only discover a dryness in our souls. Why? Because we're chasing the wrong kind of happy. We chase temporary happiness instead of the eternal happiness found in Jesus. Sometimes we wonder if God wants us to be happy. Someone said that God cares more about our holiness than our happiness, like the two are disconnected. But what if the pursuit of happiness was adjacent to the pursuit of holiness? The problem isn't that God doesn't want us to be happy. The problem is that we're chasing happy in the wrong things. Happiness is ours when we chase God's joy, His purpose, His unity, His contentment and His peace. Happy is captured when we chase Him. If you've ever struggled with laying hold of true happiness, this study is for you. Discover the incredible truth that happy isn't found in the circumstances around us but the power of Jesus in us. This study guide includes Individual access to six streaming video talks from Lori, Group discussion questions and an opening group activity for each session. In-depth personal Bible study between sessions. Reading plan through the entire book of Philippians. Scripture memory cards and coloring pages.
