INTRODUCTION The following literature was derived from when I was younger and making attempts to be in love only to grow older and realize that all along I was only in love with a thought I was in love with the idea of being in love just imagining the cozy comforting feelings of all the elements that love possesses within one's heart shared with another Desires to fulfill the urges inside of M3 that wanted so vulnerably to care for a young lady demonstrating the actions of a gentleman being that I am a girl I call myself a Gentlewoman I live to provide for special ladies in my life The affectionate compassion of my heart's mentality is only to show that there is good in relationships there is love in hearts there are truths in words and there is trust in promises Though my intentions were miraculous I've been taking for granted branded and broken down but stand strong to this day you'll be amazed to hear through it all what I've found With the Shatters of My Broken heart I present to you My Music Book of Poetry This is my music book of poetry emotions that hung pain over M3 speak of my exes they ain't over M3 How I made it that's how it's posed to be I only dared to let certain ones get close to M3 They played my love say I broke their hearts scarred my emotions blamed M3 that we're apart and still is in denial that I loved em from the start But my angel fell from the stars at the time I stopped looking for love I thank the lord now I can't be without her I can't give her up This is my music book of poetry loves that really tried to lower M3 My ex-females live by no loyalty all I wanted was love and in return I would spoil thee Instead they left M3 with crazy stories that dropped my heart from a building of endless stories I can chuck up the deuces counting my few exes that weren't worthy Oh yea in God I trust I had no worries All my focus now is to get this money and provide for my family cuz at the end of the day I know I only have God My Love them and M3 Enjoy this Journey as you explore My mind *Minding the Children* Geraldine Youcha, 2009-04-28

Beyond childcare theories and early childhood gurus here is how children have actually been raised in America over the last four centuries From wet nurses and Southern mammys settlement houses and orphan trains to rigid British nannies foster care and the modern two-worker family Geraldine Youcha's delightful book paints a wide-ranging picture of American childhood In this updated paperback edition a lively new chapter brings the story through current childcare wars and present economic realities All in all it is a reassuring picture for despite a bewildering array of different styles and fads children have survived and often thrived While there are some harsh lessons to be learned here there is also plenty to lend optimism and help anxious parents relax *From Broken Vows to Healed Hearts* Rebecca L. Mitchell, 2018-05-29

Bradley, 2012-06-18 Alan's true story picks up after his parole from Trenton State Prison where he served 27 months of a 3 to 5 year sentence for possession and sale of drugs He thought he had his drug addiction problems beaten He felt that alcohol without drugs would provide him the relief that he needed from his anxiety and depression He started becoming more and more reliant on alcohol as the days passed His social anxiety was so great that he could not participate in conversations in a group context His alcoholic life was a whirlwind of brief sexual encounters and drinking at bars in Greenwich Village His sexual identity was non-existent He had no sexual preference of a female over a male or vice versa Alan was just getting started on his academic career as a free man He had taken his first 4 college courses in prison and was determined to earn at least a bachelor's degree In no time at all he was consuming alcohol before every social gathering whether it was at home at work or on the university campus Alan appeared aloof to many acquaintances but his quiet nature was due to his intense anxiety levels and sporadic depression The years advance and Alan chronicles the huge impact alcoholism has on his life and his urgent attempts to work towards solutions to his inner turmoil As his alcoholism progresses he gets closer and closer to losing everything he's worked and strived for His personal relationships are falling apart His work on the job is suffering and his relationships with co-workers are becoming stressed He needs a solution and he needs it now **Sunset Bay** Susan
