INTRODUCTION NOTES

- The manual is divided into sections identified by two figure numbers and each section has independent page numbering.
- The different sections can read or be read by consulting the table of contents in the following pages.
- The document number of the manual and the corresponding table are given at the bottom of each page.
- Pages numbered in the back of the identifier have the same document number followed by an additional digit that refers to the manual version: for example 010100000 - for pages 010100001 - the codes 010100002 - etc. The codes refer to the edition or supplement for pages of the document version for information necessary to the operator for safety or operating pages 4, given in the last page of the codes.
- The publication will be complete with an appropriate code.
- It is necessary to know the code version because this edition will have document number 010100000, the changes for the manual in comparison of the document version 010100000 indicated with all the codes for pages 010100001 - the pages 010100002 - etc.
- The information contained in the manual was compiled on the date printed on each section. In light of this, the manufacturer reserves the right to modify some information that is not of great importance or modifications implemented for technical or commercial reasons or in case of legal requirements in different countries.
- In the event of conflicting information, consult the 010100000 table and service department.

IMPORTANT WARNINGS

- All maintenance and repair work described in the manual should be performed exclusively by authorized personnel and must be carried out in strict accordance with the instructions given and using the specific tools necessary.
- Always performing the operations described herein without strictly following the instructions is personally responsible for any material loss or damage to property.
- The Manufacturer and all representative companies in the Manufacturer's distribution network, including but not limited to national, regional or local distributors, will accept no responsibility for personal injury or damage to property caused by abnormal function of parts and/or components not approved by the Manufacturer, including those used for replacement or repair of the product manufactured or replaced by the Manufacturer.
- In any case, the product manufactured or marketed by the Manufacturer is covered by the guarantee of the Manufacturer's responsibility in damage to property resulting from abnormal function of parts and/or components not approved by the Manufacturer.
