American Social Hygiene Association Bulletin ,1919 Handbook of the Sociology of Racial and Ethnic Relations Hernan Vera, Joe R Feagin, 2007-08-03 The study of racial and ethnic relations has become one of the most studied aspects in sociology and sociological research In both North America and Europe many traditional cultures are feeling threatened by immigrants from Latin America Africa and Asia Sociology is at the hub of the human sciences concerned with racial and ethnic relations Since this discipline is made of multiple paradigms and methodological orientations it has been able to make relevant contributions to disciplines ranging from individual psychology social psychology and psychiatry to economics anthropology linguistics cultural studies health care delivery and education

Resources in Education ,1997 *Constructing Inequality in Multilingual Classrooms* Luisa Martín Rojo, 2010-07-30 In her groundbreaking and innovative study the author takes us on a fascinating journey through some of Madrid s multilingual and multicultural schools and reveals the role played by linguistic practices in the construction of inequality through such

processes as what she calls de capitalization and ethnicization Through a critical sociolinguistic and discourse analysis of the data collected in an ethnographic study the book shows the exclusion caused by monolingualizing tendencies and ideologies of deficit in education and society The book opens a timely discussion of the management of diversity in multilingual and multicultural classrooms both for countries with a long tradition of migration flows and for those where the phenomenon is relatively new as is the case in Spain This study of linguistic practices in the classroom makes clear the need to rethink some key linguistic concepts such as practice competence discourse and language and to integrate different approaches in qualitative research The volume is essential reading for students and researchers working in sociolinguistics education and related areas as well as for all teachers and social workers who deal with the increasing heterogeneity of our late modern societies in their work
