Secured Transactions A Context And Practice Casebook:

Secured Transactions Edith Warkentine, Jerome Grossman, 2024-01-31 This text co authored by an experienced professor and a distinguished practitioner uses plain English explanations samples of security agreements numerous visual aids and problems drawn from actual cases to teach the law of personal property secured transactions It is aimed at upper division students who are tired of reading and briefing cases and are interested in what lawyers really do The book relies on a skilled practitioner s judgment to guide the presentation and emphasis of materials Students will emerge from this course with a real understanding of how a good lawyer would proceed to handle a case involving UCC Article 9 The second edition updates the original text to reflect the 2022 amendments to the UCC including new Article 12 Controllable Electronic Records and the many changes that have been made to Article 9 to accommodate it *What the Best Law Teachers Do* Michael Hunter Schwartz, Gerald F. Hess, Sophie M. Sparrow, 2013-08-20 This pioneering book is the first to identify the methods strategies and personal traits of law professors whose students achieve exceptional learning Modeling good behavior through clear exacting standards and meticulous preparation these instructors know that little things also count starting on time learning names responding to emails **Handbook on Secured Transactions Under the Uniform Commercial Code** Ray D. Henson, 1979 Brief History of the Uniform Commercial Code The Security Agreement Perfection priorities Proceeds Rights of Lien Creditors Including the Trustee in Bankruptcy Fixtures Multistate Transactions Default A Simple Security Agreement Form and Content Secured Transactions JAMES J. JR. WHITE (G. ERIC BRUNSTAD.), G. Brunstad Jr., Heather Hughes, 2021-02-12 Description Coming Soon **Secured Transactions** Lynn M. LoPucki, Elizabeth Warren, Robert M. Lawless, 2019-11-14 The premier authority on secured transactions Secured Transactions A Systems Approach is known for its cutting edge coverage dynamic pedagogy and ease of use for instructors The Systems Approach gives students the big picture Straightforward explanations and cases prepare the students to solve real life problems in the context of actual transactions A modular structure allows for tremendous flexibility in course design The materials are divided into bite sized assignments making it easier for instructors to make and adjust assignments for class This problem based casebook supports the teaching of Article 9 alone or expansion of the course to include Article 9 in the full context of bankruptcy mortgages judicial liens and statutory liens New to the 9th Edition Updated throughout while retaining the same structure Highly adaptable modular text broken into assignments Main sections can be taught in any order New cases throughout including the Second Circuit s landmark decision in *In re Motors Liquidation* Problem based approach with ethics integrated Problems progress from easy to difficult Professors and students will benefit from Comprehensive Teacher s Manual with suggestions for teaching coverage changes from the prior edition lists of key concepts for each assignment and the answers to every question asked in the book The main sections can be taught in any order Bite sized assignments organized for 50 minute or 75 minute classes Can support ABA qualified experiential courses Casebook authors who are happy to engage with adopters

and include them as characters in the book Coverage of non Article 9 aspects of secured transactions that students will need as lawyers Default problem sets for ease of assignment extra problems for variety from year to year Engaging problems with interesting characters and real world issues providing all of the information necessary to solve the problems A real life approach that prepares students for the practice of law Clear explanations of every subject no hiding of the ball Basic financial literacy information included throughout the book Focus on how lien systems actually work in practice *Secured Transactions* Lynn M. LoPucki, Elizabeth Warren, Robert M. Lawless, 2016 The premier authority on secured transactions Secured Transactions A Systems Approach is known for its cutting edge coverage dynamic pedagogy and ease of use for instructors The Systems Approach gives students the big picture Straightforward explanations and cases prepare the students to solve real life problems in the context of actual transactions A modular structure allows for tremendous flexibility in course design The materials are divided into bite sized assignments making it easier for instructors to make and adjust assignments for class This problem based casebook supports the teaching of Article 9 alone or expansion of the course to include Article 9 in the full context of bankruptcy mortgages judicial liens and statutory liens New to the 9th Edition Updated throughout while retaining the same structure Highly adaptable modular text broken into assignments Main sections can be taught in any order New cases throughout including the Second Circuit's landmark decision in *In re Motors Liquidation* Problem based approach with ethics integrated Problems progress from easy to difficult Professors and students will benefit from The main sections can be taught in any order Bite sized assignments organized for 50 minute or 75 minute classes Can support ABA qualified experiential courses Casebook authors who are happy to engage with adopters and include them as characters in the book Coverage of non Article 9 aspects of secured transactions that students will need as lawyers Default problem sets for ease of assignment extra problems for variety from year to year Engaging problems with interesting characters and real world issues providing all of the information necessary to solve the problems A real life approach that prepares students for the practice of law Clear explanations of every subject no hiding of the ball Basic financial literacy information included throughout the book Focus on how lien systems actually work in practice **Secured Credit in Europe** Teemu Juutilainen, 2018-03-22 Winner of the 2016 2018 KG Idman Prize This monograph seeks the optimal way to promote compatibility between systems of proprietary security rights in Europe focusing on security rights over tangible movables and receivables Based on comparative research it proposes how best to tackle cross border problems impeding trade and finance notably uncertainty of enforceability and unexpected loss of security rights It offers an extensive analysis of the academic literature of more recent years that has appeared in English German the Scandinavian languages and Finnish The author organises the concrete means of promoting compatibility into a centralised substantive approach a centralised conflicts approach a local conflicts approach and a local substantive approach The centralised approaches develop EU law and the local approaches Member State laws The substantive approaches unify or harmonise substantive law while the

conflicts approaches rely on private international law The author proposes determining the optimal way to promote compatibility by objective based division of labour between the four approaches The objectives developed for that purpose are derived from the economic functions of security rights the conditions for legal evolution and a transnational conception of justice This book is an important contribution to the future of secured transactions law in Europe and more widely It will be of interest to academics policymakers and legal practitioners involved in this field **Bowker's Law Books and Serials in Print**, 1998 Problems and Materials on Secured Transactions Douglas J. Whaley, 1993 **Secured Transactions in Personal Property** William D. Warren, Steven D. Walt, 2013 This law school casebook provides a detailed examination of secured transactions in both the commercial and consumer context The ninth edition treats in detail the provisions of Article 9 Secured Transactions and the 2010 Amendments to it Recent important cases applying Article 9's provisions have been added New problems and notes are integrated with cases to allow convenient treatment of statutory innovations It retains the mix of problems and cases present in previous editions New forms are included The accompanying Teacher's Manual is comprehensive explaining the material and thoroughly analyzing the problems in the text **Casebook on Contract Law** Jill Poole, 2016 Casebook on Contract Law provides students with a comprehensive selection of the cases most likely to be encountered on contract law courses and is specifically designed to meet their needs *Secured Transactions in Personal Property* Robert L. Jordan, William D. Warren, 1987 **Problems and Cases on Secured Transactions** James Brook, 2016 When you purchase a new version of this casebook from the LIFT Program you receive 1 year FREE digital access to the corresponding Examples Explanations in your course area Now available in an interactive study center Examples Explanations offer hypothetical questions complemented by detailed explanations that allow you to test your knowledge of the topics covered in class Starting July 1 2017 if your new casebook purchase does not come with an access code on the inside cover of the book please contact Wolters Kluwer customer service The email address and phone number for customer service are on the copyright page found within the first few pages of your casebook The problem approach featured in Problems and Cases on Secured Transactions thoroughly engages students with imaginative scenarios presenting the material as easily accessible and as manageable as possible without avoiding the intricacies of secured transactions Students come to appreciate that the principal resource for the course is UCC Article 9 itself While the casebook is an essential tool for study the law is found in the Code Problems and Cases on Secured Transactions is carefully designed for an introductory mainstream course not for an advanced course or seminar The material is presented as completely comprehensible even enjoyable rather than an arcane science that only an insider can be expected to understand Cases are heavily edited and liberal editorial notes help express the vibrancy of true life situations A good mix of short and long problems gives each lesson a comprehensive linear flow while keeping students focused A progressive mix of problems helps students see the common elements as rules and principals learned in a simpler setting can readily be applied to more complex transactions

Earlier problems lean more heavily though not exclusively on the individual and consumer borrower situations As the lessons advance the mix of materials progressively includes more small business and large business transactions Key Features of the New Edition The latest on the 2010 Revisions to Article 9 in particular how the name of the debtor problem is now to be dealt with New legislative initiatives addressing the problem of so called bogus or harassing filings Twelve new principal cases decided since 2010 bring the book up to date and better elucidate points to be made **White and Brunstad's Secured Transactions, 4th - CasebookPlus** JAMES J.. JR WHITE (G. ERIC BRUNSTAD.),G. Eric Brunstad Jr.,2019-03-26 White and Brunstad s Secured Transactions Teaching Materials 4th deals with both the basics of secured transactions under Article Nine of the UCC and some of the most complex modern transactions such as repos and securitizations To offset the complexities of the subject matter the authors have made this text extremely user friendly Every chapter has extensive expository introductory material to help the student get oriented This manageably sized book is organized by transaction e g loans on equipment loans on inventory etc rather than by code section e g attachment perfection etc so that students can see how various transactions develop rather than learning about sections of the code out of context A course on Article Nine offers the opportunity for the student to acquire an extensive and vitally important commercial law vocabulary and this book maximizes that opportunity In addition to extensively revising all of the former chapters the new edition adds a new introductory chapter on the history of secured transactions and the interpretation of Article Nine including use of the official comments and a concluding chapter on the theory of Article Nine This tracks modern curricular trends including increased interest in courses on legislation and more detailed consideration of methods of statutory interpretation Walt and Warren's Secured Transactions in Personal Property, 10th - CasebookPlus STEVEN D.. WARREN WALT (WILLIAM D.),William D. Warren,2019-03-12 This law school casebook provides a detailed examination of secured transactions in both the commercial and consumer context The Tenth Edition treats in detail the provisions of Article 9 Secured Transactions including the 2010 Amendments and associated case law Recent important cases applying Article 9 s provisions have been added New problems and notes are integrated with cases to allow convenient treatment of statutory innovations It retains the mix of problems and cases present in previous editions Forms are included Criminal Law Phillip E. Johnson,1975
