**Seeds of Consciousness** Valerie Freeman, 2014-10-23 In this astonishing spiritual autobiography Valerie Freeman a passionate highly intelligent Australian woman of Russian descent takes us with her as she embarks on the Great Journey her search for ultimate truth She is magnetically drawn to India where in the mid twentieth century there are many ashrams and many westerners looking for their gurus There she is safely guided to the door of her hidden Master Their conversations range over the evolution of language and the wisdom systems of the ancient Indus Valley civilisations millennia before the Christian Era Her Master encourages her to examine her dreams and she depicts those surreal subconscious landscapes in a glorious series of vibrantly coloured watercolour paintings And he tells her that one day she will write an important book destined to bridge the consciousness of East and West Valerie was a mystic a spiritual warrior in a material and dogmatic world She draws our attention to the golden fruit which is the object of her quest It is nothing less than the utter surrender of the personality and its transformation into the subjective Self of God This is the fourth state of consciousness of the Hindu Upanishads In the West such a supreme state of understanding may be termed Christ Consciousness      **Reality and**

**Mystical Experience** F. farthest reaches of outer space to the innermost realms of the human heart Cosmic Conversations will change the way you look at the universe and yourself forever An excellent contribution to the philosophical revival that is taking place in the marketplace of ideas Stephan s searching and heartfelt questions bring out the best of the authors he interviews Steve McIntosh author of The Presence of the Infinite      Contemplative Literature Louis Komjathy,2015-08-31 An anthology of primary texts on meditation and contemplative prayer from a wide range of religious traditions This is the first theoretically informed and historically accurate comparative anthology of primary texts on meditation and contemplative prayer Written by international experts on the respective texts and corresponding traditions Contemplative Literature provides introductions to and primary sources on contemplative practice from various religious traditions The contributors explore classical Daoist apophatic meditation Quaker silent prayer Jewish Kabbalah Southern Buddhist meditation Sufi contemplation Eastern Orthodox prayer Pure Land Buddhist visualization Hindu classical Yoga Dominican Catholic prayer Daoist internal alchemy and modern therapeutic meditation Each introduction to a contemplative text discusses its historical context the associated religious tradition and literature the method of contemplative practice and the text s legacy and influence Volume editor Louis Komjathy opens the work with a thoughtful consideration of interpretive issues in the emerging interdisciplinary field of contemplative studies Readers will gain not only a nuanced understanding of important works of contemplative literature but also resources for understanding contemplative practice and contemplative experience from a comparative and cross cultural perspective We have not seen anything this bold and this global since Friedrich Heiler wrote his classic study on the typology of prayer over eighty years ago Komjathy and his essayists have vastly expanded the scope depth and sophistication of this project here In the process they have struggled with all of the critical questions around religious pluralism tradition and religious authority and have emboldened the comparative project itself Contemplation and comparison it turns out go very well together Jeffrey J Kripal author of Comparing Religions Coming to Terms Teachers and scholars undergraduate and graduate students and general readers interested in contemplative practice will cherish a book like this I m happy that Louis Komjathy has done this great work It will undoubtedly be hailed as a milestone Ruben L F Habito author of Healing Breath Zen for Christians and Buddhists in a Wounded World      **Aldous Huxley and Eastern Wisdom** Bansi Lal Chakoo,1981 Study of the influence of Indian thought and philosophy on Aldous Leonard Huxley 1894 1963 British novelist      Your Manifesting Year Joey Hulin,2023-08-14 Experience your most transformative year yet with this month by month manifestation guided journal to bringing more magic into your everyday life A practice where science and mysticism meet manifesting requires us to embody our desires if we are to achieve our dreams By aligning our mind body and soul through the exercises in this book we can unlock the secret to a more fulfilling joyful and confident life With each chapter focused on a different intention this is a book rich with opportunity to help you experience the life you want most January Luck February Love March Purpose April Community May Joy June Material Desires July Success August Abundance September Harmonious
