They identify what they are working for (snack, walk, break, music, etc.) and earn 1 token per activity. Once they have gotten 3 tokens, they earn the reward they were working for. Then, the cycle begins again as they begin working again. Some students may receive more than 1 token for an activity depending on how much work was required for that individual student.</p> <p>Multiple intelligences and sensory needs will be addressed.</p> <p>Some students utilize communication devices.</p>
