Touched by Night: A Dark Elf Fantasy Danica Slate, 2014-09-02 Alanna is a High Elven scholar who has studied the strange ways of the Dark Elves for over a century. But the uneasy peace between their people is shattered when the elf maiden is taken prisoner by her dark and twisted brethren. Alanna has long studied their forbidden practices, spent many long nights absorbed in contemplation of their sexual rites and proclivities. She knows the rumours, the whispered tales, she knows them so well she dreams of them sometimes. Always in the past she was herself the captive, trapped far beneath the earth waiting with bated breath and trembling anticipation for her twisted captors to come for her. Much as she is now.

**Either/Or, Part I** Søren Kierkegaard, 2013-04-21 Søren Kierkegaard the nineteenth century Danish philosopher rediscovered in the twentieth century is a major influence in contemporary philosophy, religion, and literature. He regarded *Either/Or* as the beginning of his authorship, although he had published two earlier works on Hans Christian Andersen and irony. The pseudonymous volumes of *Either/Or* are the writings of a young man I and of Judge William II. The ironical young man's papers include a collection of sardonic aphorisms, essays on Mozart, modern drama, and boredom, and *The Seducer's Diary*. The seeming miscellany is a reflective presentation of aspects of the either the esthetic view of life. Part II is an older friend's or the ethical life of integrated authentic personhood elaborated in discussions of personal becoming and of marriage. The resolution of the either/or is left to the reader, for there is no Part III until the appearance of *Stages on Life's Way*. The poetic, reflective creations of a master stylist and imaginative impersonator, the two men write in distinctive ways appropriate to their respective positions. *The Folk Songs of North America, in the English Language* Alan Lomax, 1960 Collection of 317 songs including favorites such as John Henry, Shenandoah, Barbry Allen, Sweet Betsy, and the Old Chisholm trail, as well as lesser known authentic chanteys, ballads, work songs, and spirituals, each with a brief background note. *The Folk Songs of North America* Alan Lomax, 1975 Words, music, and origins of over 300 folksongs with easy and playable piano, guitar, and banjo arrangements. **Enchanted: Seducing the Dark Elves (Fantasy Interracial Erotica)** Danica Slate, 2013-11-17

The Elven Enchantress Reilena is one of the few living sorcerers who harvest sexual energy and channel it into dark and powerful magicks that bewitch the mind and beguile the body. When she and her lithe young apprentice Kat descend into the underground to recover a powerful artifact, their dangerous journey quickly turns to lovemaking. But soon their passions are interrupted by an unexpected foe: a cadre of dark elves, twisted and wicked, foes of the surface elves who take them captive and submit them to their bidding. Reilena is enthralled by these strange and deviant beings and sets out to bend them to her will in the only way she knows how: through a combination of her dark magicks and the powers of her own flesh. Excerpt: The men pushed a small table out of the way, bringing her to the chair that now sat alone in the middle of the room, and pushing her forcefully into it. The dark elf woman emerged from the doorway, last smiling as she looked at Reilena. Up and down I'm not usually one to enjoy female flesh, she began, untying the laces of her bodice, but in your case it seems I must make an

exception The dark elf ran her hands over the dark leather loosely framing her voluptuous chest Our spies however tell me you have no such reservations Reilena glared back at her captor defiantly a hint of amusement in her eye Was this the game the dark elves hoped to play If so she was certainly prepared to play along Ungag the surface elf I wish to hear her speak The men hastened to comply Their looks of hatred were plainly visible but they could also not hide the unwilling glances at her ample bodice could not disguise the way their fingers lingered on her flesh a moment too long So they too would be easy At last the strap was pulled free from her mouth Reilena licked her parched lips the lingering taste of leather tickling her tongue She smiled confidently at the dark elf woman looking her up and down with admiring eyes I can t say I dislike what I am seeing either Mistress The blue skinned woman laughed wickedly I ve been told you surface elves have deviant ways far beyond what my people could imagine That your wickedness is only matched by your depravity And I have been told the same Reilena purred though I find it highly unlikely to be outclassed in terms of depravity The dark elf purred as she released the strands of her bodice the top falling to the floor

**Yielding to the Dark Elves: A Fantasy Tale** Danica Slate,2013-11-17 Amongst the fair elves of the surface world the Dark Elves are spoken of only in whispers Twisted tortured lost souls they had once been as good as the surface elves but long ago forsook the sun and descended to the depths of the underworld to bask in decadance and sin Alyss didn t believe a word of it She would not admit to her family but she harbored a fascination for the Dark Elves and their candid unabashed ways And so it was a secret rush of pleasure that she descended into the depths of their kingdom cuffed and bound the first to be allowed passage from the upper realms in many a year It was supposed to be a diplomatic mission It wasn t supposed to end with her thrown into a dungeon subject to the Dark Elven princes every whim But most of all she wasn t supposed to so easily submit to his dark will to find herself lost amidst the world of pleasure and debauchery he introduces her to She wasn t supposed to willingly become his personal slave Excerpt Alyss shivered though the heat of shame kept her warm Never had she been caught in such a state of undress and to find herself like this in front of a prince it was a nightmare She wanted to hide every piece of her her womanhood her breasts and the growing tightness of her skin in the cool still air Come here Ma zin said He watched her with eyes that penetrated her feeble attempts to cover up She could tell that he knew everything she had to hide was adjusting to her every nook and curve But sir Alyss whispered I promise you if I said Ma zin paused Come here Alyss bowed her head and made the shameful walk toward Ma zin s chair She stood there inches from him and tried to still the quaking in her knees He grabbed her arms his long warm fingers sliding slowly around her wrist She blushed with shame as goose pimples visibly raised over her arms Ma zin s face was stern and he did not show if he noticed Instead he pulled her arms from her body and put them at her side Then he reached behind his back and pulled out a leather bound collar with a loop on one end Do you know what this is he asked Alyss nodded It was a collar used for slaves The sight of it caught the breath in her throat Dark Elves kept slaves by the droves many captured many born into it They enslaved their own enslaved humans and when they could catch them they

even enslaved high elves like herself Ma zin motioned for her to kneel and she felt her legs acting before she could think He touched her chin sliding her head up to look up at him Then you know that you are mine now Ma zin said as he slid the collar around her neck
