Necessary Lies tells the story of the discovery of secrets and lies that stitch together empires and individual lives. What are the lies we tell ourselves and others that get us through our lives? In the summer of 1981, Anna is suddenly offered the opportunity to study English at McGill University in Montreal. She jumps at the chance, leaving behind her job, her husband, and her country, Poland. She meets William, a music professor, and falls in love. Back home, martial law is declared. After almost ten years of marriage, William dies suddenly of a heart attack, and Anna is left to pick up the pieces. In the midst of grieving, she discovers more pieces than expected for the length of their lives together. William carried on a long-distance affair with a woman, a journalist in Germany. In search of truth, Anna returns to a dramatically changed Europe where Communism has fallen, the Berlin Wall has been torn down, and where once again history will have to be rewritten. Probing the depths of betrayal and forgiveness, she confronts her own past and the motives that drove her away from Poland. She sees herself through the eyes of her mother, her ex-husband, and most importantly, William's German lover, Ursula.

Immigration and Integration in North America Waldemar Zacharasiewicz, Fritz Peter Kirsch, 2014 English summary

The volume comprises nine essays by prominent Canadianists from Austria, Germany, and Canada who investigate in comparative fashion the problems of emigration, immigration to, and integration in North America and some European countries, especially Austria and France. They inquire how this challenge has been met in Canada since the official adoption of multiculturalism and reflect on the possibility of Canada serving as a model for Europe. While contemporary novels by immigrants to Canada provide evidence of successful integration, ethnic autobiographies remind us of the existence of problems and prejudices in former times. The tensions experienced in the course of a transcultural transfer are shown to be a potential source of inspiration, with authors of Caribbean background providing fruitful examples. The waves of immigration from Austria are also described, as is the specific approach to the challenge of immigration in the province of Quebec through the adoption of the concept of interculturalism. Both the problems linked to immigration in France and the issue of the millions of undocumented immigrants from Latin America in the USA are considered.

German description: Der deutsch und englischsprachige Band enthält neun Essays von bekannten KanadistInnen aus Österreich, Deutschland und Kanada, die sich mit Immigration nach und Integration in Nordamerika beschäftigen. Wie wird dieses aktuelle Problem in Kanada bewältigt? Könnte das offiziell multikulturelle Kanada für Länder wie Österreich und Frankreich ein Muster sein? Neben der gelungenen Integration, die sich in Romanen von selbst nach Kanada eingewanderten ErzählerInnen spiegelt, belegen ethnische Autobiographien, die früher auch in Kanada häufigen Probleme. Das Spannungsverhältnis beim transkulturellen Übergang erscheint als mögliche Inspirationsquelle, wobei Schriftsteller aus der Karibik ergiebige Untersuchungsobjekte sind. Die Einwanderung aus Österreich kommt ebenso zur Sprache wie die spezifische Auseinandersetzung mit der Immigration in Quebec, wo das
