A dramatic landscape photograph of a sunset or sunrise over a body of water. The sky is filled with dark, heavy clouds, and a bright, glowing light source is visible on the horizon, creating a strong lens flare effect. The water reflects the light, and a road or path leads from the foreground towards the horizon. The overall mood is somber and contemplative.

Chronic Pain Kelly Gurnett, 2017-12-15 Everyone has experienced pain at one point or another but disorders such as fibromyalgia and multiple sclerosis cause severe long term pain that can greatly limit a person's everyday activities. Because the cause of this pain is not visible, many people do not fully understand these disorders. This volume dispels the myths surrounding chronic pain to give readers a better understanding of the daily struggles people who suffer from it face. Informative sidebars and detailed infographics help young adults learn how to support a loved one who is dealing with an invisible illness or cope with their own chronic pain diagnosis.
