## **Neurology Board Review Manual:**

**Mayo Clinic Neurology Board Review** Kelly D Flemming, Lyell K Jones, 2015-06-15 This print edition of Mayo Clinic Neurology Board Review Clinical Neurology for Initial Certification and MOC comes with a year's access to the online version on Oxford Medicine Online. By activating your unique access code you can read and annotate the full text online, follow links from the references to primary research materials and view, enlarge and download all the figures and tables. Written specifically for anyone preparing to recertify for the Neurology Boards or even those taking the exam for the first time, this comprehensive board review guide is everything needed in an easy-to-read and beautifully presented text. With extensive neuroimaging illustrations and neuropathology included, this book eliminates the need for obtaining multiple resources to study for the neurology board examination with high-yield information emphasized to highlight key facts. The book is divided into the basic sciences in Part 1 and clinical neurology in Part 2. It features short, easy-to-read chapters to help the busy resident fellow and clinician on the run. In addition to those people preparing to take or recertify for the neurology boards, it will also be useful to medical students and residents rotating through neurology or for the generalist with an interest in reviewing neurology.
