Daddis,2011-06-01 In *No Sure Victory* Army officer and historian Gregory Daddis looks deep into the Army s techniques for measuring military success in Vietnam and presents a much more complicated and disturbing account of the American misadventure in Indochina Daddis shows how the US Army adopted a massive and eventually unmanageable system of measurements and formulas to track the progress of military operations that ranged from pacification efforts to search and destroy missions Concentrating more on data collection and less on data analysis these indiscriminate attempts to gauge success may actually have hindered the army s ability to evaluate the true outcome of the fight at hand a roadblock that Daddis believes significantly contributed to the many failures that American forces suffered in Vietnam Filled with incisive analysis and rich historical detail *No Sure Victory* is not only a valuable case study in unconventional warfare but a cautionary tale that offers important perspectives on how to measure performance in current and future armed conflict **DIAGNOSTIC AND STATISTICAL MANUAL OF MENTAL DISEASE** American Psychopathic Association,Ian Tinny,Dead Writers Club,Dr. Rex Curry, Discover how to diagnose the mentally ill Identify the alarming statistics and origins Through an examination of various case studies of specific individuals this manual aids in recognizing many forms of mental infirmities including pathological egotists narcissism the God complex sociopaths delusions of grandeur megalomania sadism hallucinations paranoia sycophants manic disorders Schizophrenia Through the auspices of the American Psychopathic Association this path breaking volume of the Diagnostic and Statistical Manual of Mental Disease will help researchers understand the epidemic of psychiatric disorders from the past all the way up to the present **The Lincoln Library of Essential Information an Up to Date Manual for Daily Reference, for Self Instruction, and for General Culture Named in Appreciative Remembrance of Abraham Lincoln, the Foremost**
