of five to seven boys got molested or raped by their own family members in the United States of America. If we go through the medical records of abortion cases we may find out that mostly the girls having abortions are got pregnant by their family members or in some cases they are girls of 9 to 12 years of age.

Because these members convince their sisters or mothers to have a sexual relationship with them because they portray it as nothing wrong in it or it's just a relation of means to an end. So why the US Supreme Court wants to steal the right of abortion from women or from minor age girls or from prostitutes while knowing the condition of society or the evils happening in it. Why the Supreme Court is neglecting the facts or the benefits of abortion for women.

## Looting Of The Democratic Right Of Abortion From Women By The US Supreme Court

It seems that US Supreme Court is under some kind of pressure from religious groups or from anti-abortion activists. It seems that the biggest democracy in the world has forgotten the rules of democracy. Abortion is a legal right of women no one can take off this right from any woman. Because every human being has a right to live according to his will not according to some criminalistics law.

Overturning Roe VS Wade, 1973 decision by the United States Of America's Supreme Court is considered to be an attack on the freedom of all women. No one

In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
