And I heard a loud voice from the throne saying, "Behold, the dwelling place of God is with man. He will dwell with them, and they will be his people, and God himself will be with them as their God." **The Kingdom of God Is at Hand** Ivory Simion,2018-08-20 Warning The Books of Simion are the most Profound books of knowledge that have ever been delivered to the Gentile nations The Books of Simion are written for Kings and all in Authority only so Kings and all in Authority can determine what is best for the people The Books of Simion are the Books of Records that are referred to as the Books of Remembrance that are written for Kings and all in Authority so Kings and all in Authority are not dishonored and their Kingdoms are not destroyed by deceptions Ezra 4 14 15 and Malachi 3 16 The Books of Simion are the translation of the Holy Bible and the ancient scriptures by those who are scattered whose ancestors were slaves and persecuted in Egypt for 430 years Later in the latter days ascendants were taken to a foreign land named America on ships in bondage and held there as slaves and persecuted for 430 years that the Holy Bible has identified as God s chosen people and God s firstborn There is no other interpretation and translation of the Holy Bible and the end time prophesies of the God of Abraham by any other race of people on the planet earth that is better Genesis 15 13 14 Acts 7 6 7 Deuteronomy 28 68 Jeremiah 30 3 Jeremiah 30 18 Luke

21 24 John 11 52 Joel 3 1 and Exodus 4 22 The Books of Simion will connect all the dots or events in history together with the Holy Bible and the ancient scriptures to bring events and scriptures together to make sense of what happened in our past to understand what is happening in our present and to determine what will happen in the future The readers will learn more about the Holy Bible God and the devil the extraterrestrials the old black African dominion and the new white Gentile dominion from the Books of Simion than they have learned and understood from the combined books and learning institutions they have been exposed to all their lives For the first time in the readers lives they will understand what they could never understand before Without the Books of Simion the readers will go from university to university constantly learning but never able to come to the knowledge of the truth 2 Timothy 3 7 All the great secrets including the mystery of the gospel have been revealed in the Books of Simion Because the world was started over to give the Gentiles a second chance for salvation in the world we live in today the final outcome from all our actions and choices of today will be revealed as well as what we all must do to inherit the earth Absolutely nothing is more important than knowing the final outcome from last time before we make our final choices this time Prepare yourself **The Bible and the Addiction Experience** Christopher Gaskin,2024-06-04

Addicts are often referred to as fiends and although we use the word fiend ever so casually the average person is clueless as to what the word actually means The dictionary defines the word fiend as a devil a demon or evil spirit which raises the question as to how exactly are devils demons and evil spirits synonymous with the addict Believe it or not these definitions arose from the idea that the addict is actually an incarnate demon helplessly possessed by his own evil spirit called the fiend who tempts him from within to postpone his resolve for recovery and proceed to feed his insatiable appetite for drugs against his better judgment Hence the reason why the relapse rate for addiction is so high is because as demonically possessed souls addicts are in need of an exorcism rather than the ineffective methods of conventional treatment that fails to address the real issue In a serendipitous turn of events the addict can now reference The Addiction Experience where he is instructed by the master exorcist from whom he receives the authority to cast out his inner demon and get clean once and for all **Revitalizing Christianity Study Guide** Charlie Webster,2012-02

The book Revitalizing Christianity takes the reader through ten areas where Christians misunderstand highly motivating Christian truths This study guide is designed to work with an individual or group interested in seriously studying the Bible with the help of that book Many Christians have doubts about the reality of God Attacks especially in the realm of science have many questioning whether the God of the Bible is real Without getting bogged down in the science Mr Webster provides simple assurance that the God of Christianity is the only real God But the God of Christianity has gained a terrible reputation and these books address how understanding the biblical message from God s perspective reveals a God who really is good and wonderful and even exciting Mr Webster addresses misunderstandings about Christian love and the nature of sin saving faith Christian hope heaven God s plan the role of suffering the role of prayer the role of Christian forgiveness and the role of the church taking the reader back

to the Bible over and over to show that Christianity was always meant to be exciting and good **I Will Tell You the Mystery** Ronald J. Allen, 2019-08-08 The book is a commentary on preaching from the book of Revelation Working through the book of Revelation verse by verse the commentary seeks to help the preacher recognize what the book with its apocalyptic theology invited people in antiquity to believe and do The book of Revelation communicates through a series of word pictures Allen explains each word picture in light of its ancient setting The commentary brings the viewpoint of the book of Revelation into conversation through mutual critical correlation with contemporary theology especially process thought The work aims to help the preacher to help the congregation identify what they can genuinely believe and confidently do Believing that the best preaching arises from the local context the volume does not include full sermons but rather seeks to raise issues and questions that might be thought provoking
