The 2,000 Percent Solution Donald Mitchell, 2003-08 Organizations like people are creatures of habit They tend to approach problems in predictable ways This revolutionary book argues that such ingrained habits which often masquerade as efficient procedures actually obstruct growth The 2 000 Percent Solution introduces stall busting a process that shows you how to recognize typical stalls like poor communications disbelief misconceptions procrastination tradition and bureaucracy and how to overcome them Through unorthodox examples ranging from the sinking of the Titanic to sketches attributed to Leonardo da Vinci for a bicycle The 2 000 Percent Solution redirects knee jerk reactions onto more productive paths In addition you ll learn about a new set of thought processes for designing and implementing solutions that will reap benefits 20 times greater or faster than the same tired normal solutions Packed with specific examples advice and questions to help you improve your organization s process weaknesses you ll learn how to go beyond today s best practices into the uncharted realm of what needs to be imagined and accomplished Since the first printing of this book in 1999 organizations all over the world have made The 2 000 Percent Solution a daily resource for overcoming the dual challenges of tough competitors and a difficult business environment We are particularly pleased that the book has become popular in the rapidly growing and changing markets of China Readers say the advice and examples are as timely today as when the book was first published We look forward to hearing your comments and questions at mitchell@mitchellandco.com Congressional Record United States. Congress, 1998 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 **Marketing of High-technology Products and Innovations** Jakki J.
