New Headway: Pre-Intermediate Third Edition: Student's Book John Soars, 2007-05-10 90% new with refreshed content and new features

New Headway John Soars, Liz Soars, Amanda Maris, 2010 New Headway Beginner Third edition is a foundation course for adult and young adult true beginners It is also suitable for students who have already learned a little English perhaps some years ago but who don't yet feel confident enough to move on Introduction

Language, Culture and Social Connectedness Lorelle Burton, 2011-05-25 Diverse interest in language pedagogy identity and community has found expression through online interaction networking and connectedness in the discourses captured in this book Language Culture and Social Connectedness Issues surrounding language use in spoken written and multimedia forms and in sociocultural responses indigenous knowledges and ethnic perspectives are currently expanding with consequential transnational implications for pedagogy in higher education Language education is no longer oriented towards grammar memorization and learning by rote but rather using language and cultural knowledge as a means to communicate and connect to others around the globe Geographical and physical boundaries are being transcended by technology as students learn to reach out to the world around them This book explores the intricate relationships between language culture and social connectedness in our diverse local and transnational communities In a period of challenge in our history there are tensions that connect and others that tend to disconnect endeavours across the social landscape Connectedness includes relationships both formal and informal and the benefits those relationships bring to the individual as well as to society Social connectedness describes the level of engagement and trust an individual has with others in their community and the roles they take on their friendships and participation in different activities People who feel socially connected also contribute towards building communities and society They help to create social capital as networks that promote effective social functions
