Making Rumours Ken Caillat, Steve Stiefel, 2012-03-05 Inside the making of one of the biggest selling albums of all time Fleetwood Mac s Rumours Fleetwood Mac s classic 1977 Rumours album topped the Billboard 200 for thirty one weeks and won the Album of the Year Grammy More recently Rolling Stone named it the twenty fifth greatest album of all time and the hit TV series Glee devoted an entire episode to songs from Rumours introducing it to a new generation Now for the first time Ken Caillat the album s co producer tells the full story of what really went into making Rumours from the endless partying and relationship dramas to the creative struggles to write and record You Make Loving Fun Don t Stop Go Your Own Way The Chain and other timeless tracks Tells the fascinating behind the music story of the making of Fleetwood Mac s Rumours written by the producer who saw it all happen Filled with new and surprising details such as Stevie Nicks and Lindsey Buckingham s screaming match while recording You Make Loving Fun how the band coped with the pressures of increasing success how the master tape nearly disintegrated and the incredible attention paid to even the tiniest elements of songs from Lindsey playing a chair to Mick breaking glass Includes eighty black and white photographs [Intimate Letters](#) Leos Janáček, 2014-07-14 These are the letters of a great love story In 1917 the Czech composer Leos Jan ek met Kamila St sslov while on holiday at Luhaovice a spa resort in Moravia He was sixty three and locked in a loveless marriage she was twenty six the wife of an antique dealer frequently away from home After the holiday Jan ek began writing to St sslov Undeterred by her lack of interest in his work and her spasmodic replies he continued to send her letters until his death

eleven years later An extraordinarily self revealing portrait emerges of an isolated artist at the height of his creative powers and the beginning of his international fame It is also a portrait of a lonely man who as the years went by came to fantasize about St sslov as his true wife the inspiration for many of the works of his old age Most of these letters were suppressed until changing conditions in Czechoslovakia allowed their full publication in 1990 John Tyrrell has edited and translated a comprehensive selection concentrating on the almost daily letters of the final eighteen months Supported by a diary of meetings between Jan ek and St sslov a decoding of the erotic references in the letters and a selection of mostly unknown photographs this remarkable book breathes life into the story one of the greatest of operatic composers and provides vital clues to the nature of his creative genius Originally published in 1994 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905
