

Thank You Letters For Business Partnership

Hello Mike,

It's been over a decade since we started our business, a dream that we saw together. Today when we stand on a point where we never thought we will. In all these years apart from being a business partner, you have also become a friend and family. We have seen many ups and downs together and that made us trust each other a lot.

I know it wasn't an easy decision for us to share a part of our business with someone else, but now when I look back I feel that it was the best decision taken by us.

It was you who trusted your instincts and convinced me as well and trust me that made me believe that you have got a better sense of business than me. I wish that our business partnership stays as it is and we grow ten folds and even more than that in the future.

Regards

Thank You Letters To Partners

HIDDEN THAT MAKES THE VIEW EXTRAORDINARY NAIKAN is a Japanese word that means inside looking or introspection. A more poetic translation is seeing oneself with the mind's eye. Drawing on Eastern spiritual and psychological traditions, Naikan is a unique method of self-reflection for cultivating self-awareness, gratitude, empathy, and a path for moving forward in our lives. Through Naikan, we develop a natural and profound sense of gratitude for blessings bestowed on us by others, blessings that were always there but went unnoticed. This is the 20th anniversary edition of this influential book. Author Gregg Krech, now after more than 30 years of teaching Naikan, shares the depth of his experience with essays, parables, poems, quotations, and recommended reflection exercises. The edition includes new material on relationships, a seven-day practice program, and guidelines to help mental health professionals apply a Naikan perspective to counseling and therapy.
