## Thankful For Today Little Bear Series Volume 1:

**The Works of William Shakespeare: Othello. Anthony and Cleopatra. Coriolanus. King Lear** William Shakespeare, 1889     The Works of William Shakespeare William Shakespeare, 1889     That Book Is Dangerous! Adam Szetela, 2025-08-12 An alarming exposé of the new challenges to literary freedom in the age of social media when anyone with an identity and an internet connection can be a censor In *That Book Is Dangerous* Adam Szetela investigates how well intentioned and often successful efforts to diversify American literature have also produced serious problems for literary freedom Although progressives are correct to be focused on right wing attempts at legislative censorship Szetela argues for attention to the ways that left wing censorship controls speech within the publishing industry itself The author draws on interviews with presidents and vice presidents at the Big Five publishers literary agents at the most prestigious agencies award winning authors editors marketers sensitivity readers and other industry professionals to examine the new publishing landscape What he finds is unsettling mandatory sensitivity reads morality clauses in author contracts even censorship of dangerous books in the name of antiracism feminism and other forms of social justice These changes to acquisition practices editing policies and other aspects of literary culture are a direct outgrowth of the culture of public outcries on X Goodreads Change.org and other online platforms where users accuse authors justifiably or not of racism sexism homophobia and other transgressions But rather than genuinely address the economic inequities of literary production this current moral crusade over literature serves only to entrench the status quo While the right is remaking the world in its image he writes the left is standing in a circular firing squad Compellingly argued and incisively written the book is a much needed wake up call for anyone who cares about reading writing and the publication of books as well as the generations of young readers we are raising     **The Quiver.
